Heroism awards

Recognition of acts of heroism highlighted the 62nd anniversary dinner dance Friday night at Sunset Hills Country Club of the Tri-City Chapter, American National Red Cross.

A Red Cross certificate of merit signed by Jerome Holland, ANRC chairman, and honorary chairman Jimmy Carter, president of the United States, was presented to Gene H. Sternberg, president of the G. H. Sternberg general construction contractors.

On July 27, 1978, Sternberg used his newly learned cardiopulmonary resuscitation skill to save the life of an injured motorist.

John Eiland, 24, East St. Louis, stopped breathing after his auto hit a utility pole and iron near Route 111 north of Pontoon Road. The contractor, who was passing by, stopped and was able to revive the injured man.

Also recognized Friday night were Madison County Sheriff Deputies Harold Wilson and Richard Anderson, who on May 9, 1979, saved the life of Mrs. Wilhelme White, 45, Fairview Heights.

Her car overturned in a creek along State Aid 35 and filled with water. They forced open a door and rescued her.

The chapter heard a talk by Harry Fender, retired St. Louis policeman and former Broadway stage musical star.

Jack Mulach, principal of Maryville School, was re-elected as chapter chairman. James Whit was elected vice-chairman. Irene Kommer secretary and Fred Cunningham-treasurer, succeeding William Bright, Frankie Griggs and Laveada Knobbe.

Henry D. Karandjef, nominating chairman, was introduced as a charter member of the Red Cross chapter. Mulach praised the work of Mrs. Mildred Neenan, executive director, and Mrs. Dorothy Smith, secretary.

Permits top \$1 million

Eighty-seven building permits listing values totaling \$1,241,000 were issued during June by Granite City, according to a monthly report issued Friday by the city inspection department.

Among the permits were two for improvements at Kirkpatrick Homes, including \$479,000 for electrical rewiring to enable the use of 110 volt air conditioners by residents who have them, and the other was for \$451,000 to put in new combination storm and screen windows.

The improvements to the housing project are part of a \$2.5 million modernization program for the city's public housing funded by the Department of Housing and Urban Development (HUD) over a several year period.

Other permits issued included a \$75,000 project by the city to make repairs to the sewage treatment plant, a \$9,500 permit to Granite City Glass Co., 3902 Nameoki Road, for a new entranceway, a \$5,000 permit to Eddie's Lounge, 2900 Nameoki Road, for a new roof, a \$1,600 concrete slab for a cooler at Sullie's Liquors, 2260 Washington Ave., and a permit for a \$1,300 to brace the attic at Belling's Advertising, 2676 Madison Ave.

Also, a \$38,000 new residence to be built by Fry Custom Homes at Maryville Road and Gary Avenue; five permits for room additions costing \$24,800; three for mobile homes costing a total of \$15,000, \$1 to remodel and repair structures at a cost of \$9,192, 13 for new garages and carports costing a total of \$25,637, and seven for swimming pools.

'Kokomo' reunion

By MICK STRANGE
of the Press-Record

Have you ever heard of "Kokomo Village?" You have if you lived in one of the 11 houses located at the east end of the coke ovens on Edwardsville Road (Route 162) between the 1920's and early 1940's.

A reunion of "Kokomo Village" residents will be held at Wilson Park shelter number one, at 12 noon on Sunday, July 15.

Howard Bolton, a former resident, said the houses were first purchased by the Koppers United Company which opened a defense plant there.

Houses were rented only to employees of the plant.

In 1943 the houses were torn down.

"None of us are getting any younger and before long there will be no 'villagers' left, so I and a couple others thought we should have a reunion," Bolton said.

Bolton lived in "Kokomo" from 1925 until 1942.

Former residents may call Bolton at 876-2442.

Other "residents" of the village helping with the reunion are Mrs. Hilda Harris who is going to attend the reunion from Kentucky, and Mrs. Frank (Rose) Pilch of Madison.

Bolton said the nickname "Kokomo Village" was a play on words with the houses being owned by the "Coke plant," now the Blast Furnace Division of Granite City Steel.

Further modernization of Kirkpatrick Homes

By GARY SCHNEIDER
of the Press-Record

Improvements to Kirkpatrick Homes costing \$980,000 and funded by modernization grants from the U.S. Department of Housing and Urban Development (HUD) were announced Friday by Dave Morgan, executive director of the Granite City Housing Authority.

One grant of \$479,000 will allow rewiring of the housing complex so tenants may use window air conditioners if they have them.

Another \$451,000 grant is for new

prime window units, which will include storm and screen windows in aluminum frames for the 451 apartments.

Morgan said the grant for the windows will include most windows, but some bathroom windows and others on ends of the buildings could not be funded at this time.

An application for the fourth phase of the modernization of the city's public housing has been approved and an additional \$618,000 is expected to be released after Jan. 1.

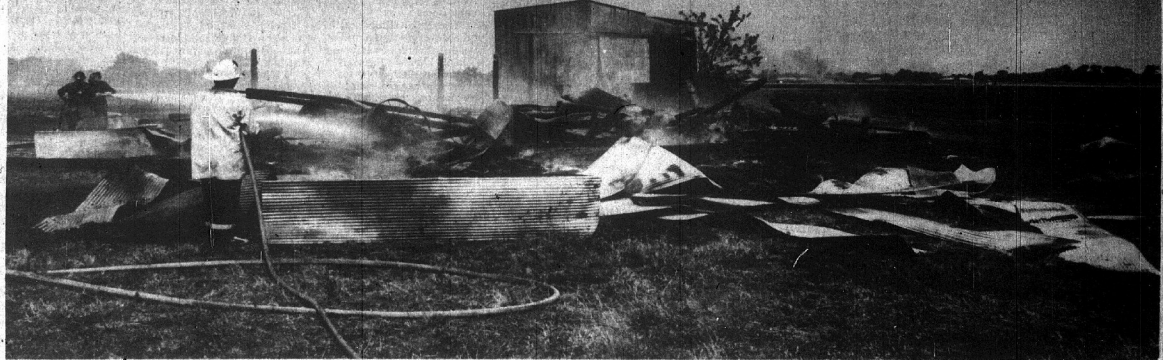

HUD has released \$1,967,750 in 100

percent grants to the city's housing authority in the past two years as funding for the first three phases of the four-phase modernization project.

The first phase enabled the replacement of flat roofs at Kirkpatrick Homes with gabled roofs. Phase two funded storm doors and other improvements for both Kirkpatrick Homes and the 200 apartments at Anchorage Homes.

The third phase, announced Friday,

(Continued on Page 3)

EXTENSIVE DAMAGE to a large barn (in foreground) and a storage shed (in background) that contained a 16-foot motorboat is seen Friday morning as Long Lake firemen hose down the charred remains. The fire, at a farm in Pontoon Beach owned by Walter and

Irene Eberhardt of Creve Coeur, Mo., and leased to Herbert Mueller and Gary Rapp swept across a 20-acre area of wheat stubble and damaged nearby soybean fields. The blaze destroyed the boat and \$15,000 worth of farm equipment in addition to the buildings. A spark from a

passing railroad engine is believed to have started the fire. Location is a mile and a half north of Pontoon Road, immediately west of the Alton and Southern Railroad tracks.

Air pollution case is settled

A suit against Granite City Steel by the Illinois Environmental Protection Agency charging the steel firm with air pollution in the emission of a "white ash" particulate has been resolved in a settlement agreed to by both parties. The agreement will eliminate a series of public hearings that were scheduled to open at 10 a.m. today and continue through Tuesday and Wednesday.

Randall Robertson, Granite City attorney representing the steel firm, said the agreement was reached in discussions with EPA officials at Springfield during the weekend.

Robertson appeared this morning at the scheduled opening of the first public hearing, and notified the hearing officer, Robert Maloesian, Granite City attorney, that the case had been settled. Robertson said he also notified Maloesian of the settlement on behalf of John VanVranken, assistant Illinois attorney general, representing the EPA. A public hearing is scheduled at 7:30 p.m. Tuesday in the City Hall of Granite City to publicly present the agreement, Robertson said.

The air pollution charges against Granite City Steel stemmed from in-

cidents nearly two years ago in which a white ash allegedly damaged homes and cars.

The offenses allegedly occurred in October and November 1977, according to the suit. Three separate violations were charged. Under state statutes, penalties could have ranged up to \$100,000.

The 27-page settlement document outlines details of sinter plant operations, which convert charge material into a product suitable for blast furnace feed material.

While denying allegations about the

sinter plant, GC Steel agreed to implement an abatement program as follows:

1. A new baghouse with a total exhaust volume of 89,900 scfm and pulse jet design.
2. Control of potential emissions at 11 points, with some new hoods.
3. An amended construction permit for the baghouse installation.
4. A construction schedule calling for completion and start of operations in two years.

If there is a recurrence of "white ash," the company will interrupt the sinter plant activity so that the agency can determine whether the ash deposits are coming from the sintering work.

Both sides say the settlement is in the public interest because it will avoid prolonged and expensive litigation.

They agree that all legitimate claims for property damage will be settled within a year of the date of the Illinois Pollution Control Board order approving the settlement between the EPA and Granite City Steel.

Ill. state lottery results

Results of the Illinois state lottery drawing Thursday, July 5, 1979:
BIG PAY DAY
406-28-9-2121
TREASURE HUNT
32-09-06-33-43-17

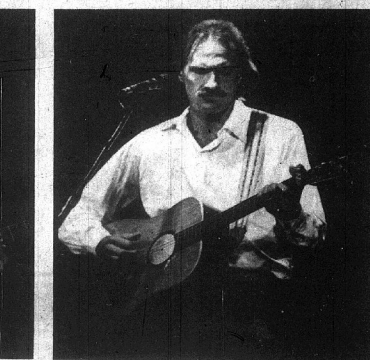

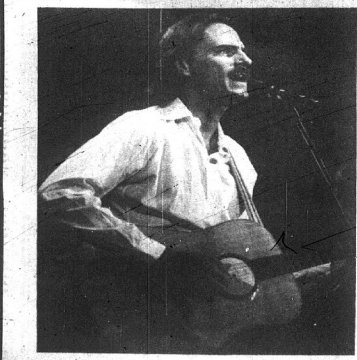

Area weather outlook

Clear to partly cloudy, warm and humid today, tonight and Tuesday. Slight chance of thundershowers, mostly this afternoon and tonight. High today in upper 80s. Low tonight near 70. High Tuesday in low 80s. Little or no precipitation Wednesday through Friday. Lows near 70 and highs in the upper 80s during the period.

Don't forget to duck

When and where will it fall? Skybab, that is.
Most Quad-Cityans aren't deeply worried about being squashed by remnants of the rapidly descending former U. S. space station, but the remote possibility exists.
Odds against a particular individual being hit are estimated at 600 billion to one, which is a pretty comfortable figure unless you happen to be that one.
There was some speculation that it might fall on an appropriate day, like this Friday the 13th. But it could happen today, tomorrow or Wednesday, depending on a lot of unpredictable variable factors.

A current projection is 9:28 a.m. Wednesday, and some believe the likeliest place for it to strike is Africa.
Perhaps 500 pieces of debris may make it all the way through the earth's atmosphere, so the humorous admonition regarding what could become anything but humorous is, "Don't forget to duck."
And don't pick any of it up; contact the Emergency Services and Disaster Agency, or the National Aeronautics and Space Administration.

JAMES TAYLOR performs several solos Thursday evening at the Mississippi River Festival. He and his band played many of the old J.T. regulars in addition to many of his newest releases. The evening ended with a cool breeze and two encores, with Fire and Rain wrapping up the concert. A Fourth of July afternoon concert also was presented.

REESE DRUG STORES

Dual appearances by Donna Summer

In the beginning, both Rolling Stone and Newsweek scooped and called disco a noisy, passing fad. Both have since put Donna Summer on their cover, and she has emerged as the queen of disco. On Saturday, July 14, and Sunday, July 15, Donna Summer will take the stage of the Mississippi River Festival on the SIUE campus at 7:30.

She has had five gold albums: Love To Love You Baby, A Trilogy of Love, Four Seasons of Love, I Remember Yesterday and Once Upon A Time.

Live And More has reached double platinum, and her latest, Bad Girls, has reached shipping platinum.

But Donna Summer is probably best known for her six gold singles: Love To Love You Baby, I Feel Love, Last Dance, MacArthur Park, Heaven Knows and Hot Stuff.

The music industry has honored her with a shower of awards in the last year. She garnered the Grammy award as best vocal female for Last Dance.

In the American Music Awards, Donna Summer won favorite female vocalist-disco music, while her Live And More LP was named favorite LP-disco, and Last Dance was named favorite single-disco.

At this year's NARM convention, Live And More was named the best selling album by a female artist, tying with Barbra Streisand's Greatest Hits, Volume II.

Billboard magazine proclaimed her the number one disco audience response. And the Motion Picture Academy of Arts and Sciences named the song she sang in the Thank God It's Friday film, Paul Jabara's Last Dance, the best song of the year.

After conquering the world of disco, Donna Summer is broadening her style to include rock and blues. Half of her new LP will be rock-oriented.

Appearing with Donna Summer July 14 and 15 will be special guests Brooklyn Dreams.

The pop-disco group's members are Joe "Boss" Esposito, Bruce Sudano and Eddie Hokenson. The Brooklyn Dreams teamed up with Donna Summer on Heaven Knows as well as on Sleepless Nights.

The trio from New York spent many years playing backup for such people as Melissa Manchester and Ringo Starr before coming out with its own album, Brooklyn Dreams.

Tickets for this show are \$9.50 for reserved seats and \$5 for the lawn.

Guild picnic indoors

Homemade cake was served as the dessert course at Thursday's meeting of the Afternoon Guild at St. Peter Evangelical United Church of Christ.

Thirty-two members and a guest, Mrs. Zelma Skeen of Belleville, attended the event that featured an indoor picnic luncheon in the Fellowship Hall.

Favorite songs were sung during a sing-a-long segment prior to the business session.

Mrs. Virginia McLester, vice president, was in

charge of the meeting, during which members authorized the donation of \$70 to the church campership program.

Mrs. Gladys Kadar, missionary chairman, reported a sufficient quantity of used stamps has been collected to mail another box to a missionary youth group in Africa.

Mrs. Dorothy Miller and Mrs. Doris Anderson, ways and means chairmen, suggested the women set aside some summer projects for the sausage supper and bazaar, scheduled in November.

The remainder of the afternoon was spent playing games, with prizes awarded to everyone.

The guild will hold its next meeting Aug. 2.

Chicken dinner for Golden Agers

A covered dish dinner with chicken being the main course was served to the Golden Agers Club at the Anchorage Hall last week. The chicken was donated by Ward One Alderman Everett Marlen. Coffee and telephone pencil favors were provided by Randall A. Irwin.

Charles Kelly led the

members in repeating The Lord's Prayer. Volunteer workers at the dinner were Tom Crawley, Edith Young, Caroline Lax, Jennie Moody, Art and Vi Lindner, Effie Johnson and Evelyn Davis.

Pinocle and other games were played for the remainder of the afternoon. Excelling and winning

prizes were Opal Voss, Belle Kreher, Theresa Walkenback, Vi Scrivner, Mildred Rees, Catherine Moser, Lena Harmsen, Florence Ashall, Mrs. Crawley and Kelly. The Golden Agers will meet for a business session at 1:30 p.m. July 24.

The monthly potluck dinner will not take place in August, it was announced.

Karat mark—key to gold

Russell Walker, owner of Walker's Jewelry and Gift Shop, 1237 19th St., Granite City, today recommends that the public look for the karat mark, such as 14k or 18k, when shopping for gold jewelry.

"Stamped somewhere on each piece, this mark of quality indicates that you are buying real gold," Walker said.

"The karat mark refers to the purity of gold. Gold in its purest state, 24-karat, is generally considered too soft for practical use in jewelry.

Normally, it is alloyed or combined with other metals for increased strength and workability, a practice thousands of years old.

"Most American gold jewelry is marked 14k, made of 14 parts gold combined or alloyed with 10 parts of other metals.

"Eighteen karat gold (18k), also popular with Americans, is 75 percent pure gold, or 18 parts gold and six parts other metals.

"England accepts 9k gold and Germany 8k, and in some other countries, such as France and Italy, nothing less than 18k can be sold as gold.

"The alloys also create color variations in gold, depending on the quality and type of metals added. Nickel, silver and zinc are added to create white gold, while the addition of copper produces pink gold.

"Although yellow gold is the favorite color, there is a current fashion trend toward tricolor jewelry that com-

bines yellow, white and pink gold.

"To keep gold jewelry bright and sparkling, just dip it occasionally into a bath of soapy water and brush it with a soft bristled brush. An old toothbrush is perfect.

"Then dip it again into rubbing alcohol to remove all traces of soap or grease before drying it with a soft cloth. Or simply dip it into one of the prepared cleaners, rinse it in clear water and pat it dry."

WALLET, CASH STOLEN

A wallet containing \$120 cash, personal papers and credit cards was stolen from the desk of Betty Segedy, 2820 Portune Drive, she reported at 2:30 p.m. Friday.

She said a young man came into the office at the Reinhardt Agency, 1933 Edison Ave., and asked directions. She said she went to the back room and when she returned the man was standing by her desk. She gave him the directions he sought and he left the office.

She said she then discovered her wallet had been taken.

REINHARDT—Realtor Sells—BETTER LIVING

Driver charged

Donald L. Doty, 20, of 4310 Kirkpatrick Homes, was arrested and charged with illegal transportation of liquor at 11:20 p.m. Friday after police stopped a car which earlier had been reported stolen.

Police said that Michael Brice, 3612 Kirkpatrick Homes, reported his 1964 red Chevrolet Malibu had been driven away from where it was parked at Edwards Street and Nameoki Road.

Officers later sighted the car at Nameoki Road and Clark Avenue and saw it drive into the parking lot of a restaurant where they stopped the car.

According to police the car was driven by Doty who later was identified as Brice's nephew. Brice declined to sign a complaint. Officers said the transportation of liquor charge was filed after they found an open can of beer in the car.

Funeral services at 6:30 p.m. today, Interment Calvary Cemetery, Edwardsville Township.

GC man among 18 hurt by chlorine leak

Terry L. Rigby, 27, of 2229 Ohio Ave., was among 18 employees of an East Alton aluminum plant who were hospitalized late Thursday night as the result of an industrial accident that killed one man.

Rigby was among six of the victims admitted to Alton Memorial Hospital for treatment. He was released from the hospital about noon Friday.

The victims were overcome by leaking chlorine gas which escaped a 500-gallon portable tank at Federal Metallurgical Division, Inc. The plant is a division of U.S. Reduction Co. headquarters in East Chicago, Ind.

Chlorine gas is used at the plant in producing aluminum ingots. Killed by the gas was William Dempsey, a maintenance mechanic of Spanish Lake, Mo., who was pronounced dead at St. Joseph Hospital in Alton.

Dempsey, 45, was president of the Aluminum Workers of America Local at the plant. Larry Rowe, a company vice-president, said a leak apparently developed in a valve on the portable tank. He said the accident happened as the shift was changing at midnight, and that all reporting workers were kept off their jobs until the plant was cleared of gas.

The plant employs about 160 workers.

22 caliber revolver, three spent 38 caliber bullet casings and a pair of brass knuckles.

"They said they discovered four bullet holes in the east wall of a bedroom, one of which apparently penetrated the wall and caused the damage at the neighboring house. Police confiscated a quantity of different types of ammunition which they alleged were found in the house."

Authorities said the owner of the house later appeared at police headquarters and said he had been told by a neighbor about what had happened at his home. He said he came directly to the police station and did not go in the house. He told police the house had been burglarized previously.

He said he was unaware of any shooting in the home and that when he left the house to visit a friend, his guns were put away.

Authorities confiscated the guns, brass knuckles and ammunition which they said they found in the house pending further investigation into the shooting.

Daughter born
(Mr. and Mrs. Douglas (Joylen) Pascoe, 4012 Rod Ave., are announcing the birth of their second child, a girl, born on July 1 at Christian Northwest Hospital, Florissant, Mo.)

The infant weighed seven pounds, three ounces and has been named Holly Christine. She joins a sister, Lori, 5.

Grandparents are Mrs. Bette Mertz, Granite City; Mr. William Pascoe, St. Ann; and Myrtle Hendricks, St. Louis.

ATTEMPTS GAS THEFT
A man who attempted to steal gasoline from the car of Laura Rosales, parked at the rear of her home at 2116 Adams St. at 9:45 p.m. Friday, was frightened away when a neighbor fired a shotgun into the air, according to a report to police.

Will repair main canal lock's gate

The 1,200-foot main lock of Locks No. 27, Granite City, will be temporarily closed to navigation during daylight hours beginning July 30.

Anticipated hours of closure are from 8 a.m. to 2:30 p.m., Monday through Friday, until further notice. The 600-foot auxiliary lock will remain open for vessel traffic.

The closure is required in order to repair the upper lift gate of the main lock, damaged in a motor vessel accident on May 26.

All vessel operators are being requested to exercise additional caution and to adhere to the lockmaster's instructions in order to minimize overall traffic delays.

Permits

(Continued from Page 1)

2,300; Leonard Roberts, 3218 Willow, family room, \$7,000; Richard Roberts, 2800 Ralph, roof repairs, \$500; Edgar Butts, 2117 Edison Ave., remodel upstairs, \$1,000; John Klee, 3238 Willow, family room, \$3,000; Frank Smola, 1208 Rhodes, rebuild patio, \$300; Goni Michaeloff, 2617 Madison Ave., repair porch, \$300; and Irvin Slate, 2122 Edison, concrete porch and steps, \$700.

will improve the electrical service and the windows. The fourth phase should complete the window replacement, provide new water lines and fund other exterior improvements, Morgan said.

Cancer drive breakfast

Reservations still are being accepted for the first annual American Cancer Society breakfast, scheduled to be held at 7:30 a.m. Wednesday in the Granite City Township Auditorium, 2060 Delmar Ave.

Dan Dierdorf, offensive lineman for the Football Cardinals, will be the guest speaker. Tickets cost \$5 each and may be secured at the door Wednesday morning or by calling the office of Mayor Paul Schuler at 878-9294, or Township Supervisor Nelson Hagnauer at 877-0513 for reservations.

The two men are co-chairmen of the fund-raising event. More than 15 city officials and their wives, together with several off-duty firemen, have volunteered to cook and serve breakfast.

All proceeds will be added to the Granite City Cancer Crusade.

This year's goal is to exceed the 1978 contributions which amounted to \$12,000, according to the drive co-leaders, Mrs. Billie Schuler and Mrs. Bernice Hagnauer.

Members of the breakfast committee include Mathew Melucci, new director of the East-West Gateway Council; William F. Winter, editor, Granite City Press-Record; Roger Higgins and Walter Shuran, Nestle Co.; State Rep. Sam Wolf, 66th District; Edwin F. Reiske, Tri-City Trades and Labor Council.

Paul Walter, vice president, Industrial Relations, Granite City Steel, John Ubahudi, secretary-treasurer, Madison County District Council of Carpenters; Granite City

Fire Chief Don Parente; Edward F. Reiske, executive director, Tri-Cities Chamber of Commerce; Joseph Laido, Granite City Steel Federal Credit Union.

Hospital Notes
Patients admitted Thursday to St. Elizabeth Medical Center:

Carrie Blain, Sonny Keelin, Clarence Nagel, Sharon King and Anna Holik, all of Granite City; Joyce Howard and Kimberly Turner, both of Madison; Flora Roberts, Venice; Wilma Better, Belleville; Charles Willis, Fairmont City; and Armita Smith and Camille Sanders, both of Brooklyn.

PARK RECREATION STAFF members do the learning last week as they hear how to make various art projects to be taught to children participating in the Granite City Park District's summer recreation program. Six centers used throughout the summer-long program include the Lincoln Place Community Center and Logan, Nameoki, Niedringhaus, Webster and Wilson Schools. A citywide tournament of several activities will take place on July 19 at the Nameoki Recreation Center with six

centers competing. Seated from left foreground, clockwise around the table, are: Julie VonNida, Cheryl Schoolfield, Ron Backs, Marian Doty, Cathy Schuler, Wally Fenton, Cindy Hayden, Mike Fryntzko, Betsy Slate, Paula Wise and the summer program movie coordinator, Joe Valencia. Standing at rear are Roger Mueller, left, crafts director, and recreation supervisor Nancy Polson. The annual park district's Olympics will be held on Saturday, July 21.

Veto sought on state 'takeover' of tenure

Legislation mandating a statewide tenure law for community college faculty members would have no effect on Belleville Area College, college officials said last week.

"We join with the Illinois Community College Trustees Association in opposing the legislation and asking the governor to veto it, however," stated Vice-President for Executive Services Dr. Bruce Wissore. The Trustees group has said that community colleges should be free to adopt their own tenure policies in the same way that senior universities in the state do.

"We believe that the management of personnel is a major responsibility of the local board and should not be interfered with by the government in Springfield," said David Viar, executive director of the ICCTA.

"As enrollment in the community colleges stabilizes and possibly declines over the next few years, the local boards of trustees need the authority to make appropriate adjustments in the size and makeup of their faculty."

Viar said that all but five of Illinois' 39 community college districts now protect their employees with provisions similar to those in the bill.

Belleville Area College has chosen to follow the tenure guidelines established by the American Association of University Professors.

"Of all public community

colleges in the nation, only 47 percent have tenure policies. Seventy-eight percent of Illinois community college districts have such provisions."

Wissore expressed the feeling that the tenure legislation is "just one more area that we see moving under the control of Springfield."

He said, "A major factor in the growth of Illinois community colleges has been their local autonomy. Illinois has led the nation in the development of programs and services at the community colleges."

"We credit much of our innovation and community responsiveness to this autonomy, our ability to act without the bureaucratic restrictions that so many other community college systems have been strangled by."

"Belleville Area College, like other community colleges, belongs to the people of the district."

"Our concern at BAC is not with the tenure law itself, but with the increasing tendency of the state legislature to 'take over' what is rightfully the domain of the local Board of Trustees which governs the college for the people of the district."

STEAL GUITAR
A \$400 electric guitar was stolen from the home of Mark Baker, 302 Wilson Park Lane, he reported at 4:40 p.m. Thursday. Guests in the home may have been responsible, Baker said.

Eagle Auxiliary hears convention activities

Florence Hagnauer gave a detailed report concerning events at the Eagle Auxiliary's state convention at a meeting last week of Granite City Auxiliary Unit 1126.

Several local women attended the state conference

held in June at Aurora. Delores Sanders was escorted and presented a gift by Kathleen Reed, immediate past president, in recognition of the former's accomplishments as press book chairman.

The local auxiliary's press book received third place in a statewide contest. The award was announced at the Aurora meeting.

Shirley Robinson, president, was in charge of the business session at the Eagles Home.

Other reports were given by Helen Frazier, secretary, who said 11 new members were inducted into the unit in 1978. Leona Delatoye, treasurer, and Mrs. Reed, who now is serving as visiting chairman.

It was announced the Eagles Kitchen Band was well received when the Granite City women's group entertained at the Eagles state convention in Springfield, also taking place in June.

A charter draping ceremony was conducted in memory of Fern Johnson, a deceased member.

Mrs. Hall, pianist, furnished music during the evening and closing meditations were offered by Eileen Rickert, chaplain.

Hostesses Cora Barr and Juanita Brown served refreshments.

AUTOS COLLIDE

The auto of Robert Ebersoldt, 3161 Carlson Ave., struck the rear of the auto of Howard Pyle, 1325 Washington Ave., Madison, in the 1500 block of Madison Avenue last week. Pyle was slowing in the inside northbound lane to make a left turn when his car was struck, was related. A previous report of the incident was in error.

The Lighter Side

By Cathey Jamison
Press-Record Feature Editor

An afternoon at the carnival

I have to be at least a half a bubble off. I took the boys to the Fourth of July carnival, by myself. Oh, what a foolish thing to do.

My kids have me wrapped around their little fingers, and they KNOW it. It has been my practice in the past never to take the kids anywhere where they can beg me for money without their father.

Their father has a word that he uses that always works in those kinds of situations, that word being a resounding "NO!" I have always had a hard time with that word, especially with my two doe eyed boys.

I figured that I would be able to handle it this time. I had to; the carnival at the park was a once a year affair and their dad was working, so I had to take them by myself.

I took them to the matinee, when the rides were a quarter. That wasn't too bad. For \$5 the kids rode 10 rides apiece. That kept them happy for an hour and a half.

It was the carry games that got me. Ross begged and begged, confident that he could play the basketball game and win a huge stuffed toy, "for you, Mom."

I fell for it once and it was all over. He lost, 12 times. With each loss, my spirits, not to mention my bankroll, dropped lower.

He finally did win a stuffed puppy dog (a whole five inches high), and it only cost

me \$17.50. He won that playing some game where the object was to pump up a balloon until it burst.

Then, of course, Dennis had to get in on the act. No one wanted to go home empty handed. I was certain that he couldn't win at anything, so I let him play the old pick the duck out of the pond game.

He won a rubber shark and a coin purse, which only cost me \$1. How lucky I am to have only one competitive son, I had thought.

Then there were three hot dogs, six sodas and 11 cotton candies. I don't know where we would be if someone hadn't invented carnivals. I am not going to mention how much I ended up spending that day. My

husband reads this column.

Let's just say that it is people like me who keep the carnival coming back to Granite City every year. But what the heck; it's only once a year, and the kids had a ball.

Of course, I didn't buy any steak at the grocery this week.

\$375 BURGLARY

Items valued at \$375 were stolen from the home of Rose Young, 1640 E. 23rd St., Apt. 3, it was discovered Thursday. A screen was forced from an open window to gain entry. Taken were a \$150 television set, a \$200 stereo and speakers and a \$25 clock radio. The burglars apparently left the rear door open.

Lawrence Heagy dies at 39

Lawrence Emery Heagy, 39, of 2801 Grand Ave., died at Oliver Anderson Hospital at 11:53 p.m. Friday, shortly after suffering an apparent heart attack. He died an hour and a half after being admitted to the hospital.

Mr. Heagy was employed as an insulator mechanic at Union Electric Co. for the past 18 years. He was born in Granite City and had lived here all of his life.

He was a member of Sacred Heart Catholic Church.

He is survived by his wife, Mrs. Mary Catherine Heagy, one son, Lawrence Rudolph Heagy, and one daughter, Loretta Ann Heagy of Granite City.

He also leaves his mother and stepfather, Mr. and Mrs. Edward Ziegler of Venice, and several aunts and uncles living in this area.

Funeral services were to be held this morning. Details are given in the obituary column.

Mrs. Katherine Babich dies

Mrs. Katherine Babich (Osoja), 90, died at 10:20 p.m. Thursday at Colonades Nursing Home where she was a resident. She formerly lived in Granite City for many years.

Mrs. Babich was born in Yugoslavia. She was a member of Sacred Heart Church in Granite City. Her husband, Rudy Babich, preceded her in death in June 1973.

She is survived by one son, John Mikash of McKeesport, Pa., and two daughters, Mrs. Andrew (Caroline) Ochar of Willow, Ohio, and Mrs. Helen Bookhamer of McKeesport. A son, Nick Mikash, preceded her in death. She also is survived by grandchildren and great-grandchildren.

Funeral services were held today. Details are given in the obituary column.

Mrs. Jerden dies at 92

Mrs. Lucile "Lucy" K. Jerden, 92, died June 20 at Beverly Manor Convalescent.

She was a Granite City resident for more than 75 years.

She leaves two daughters, Mrs. Virginia Beck of Santa Monica and Mrs. Marjorie Koerner of Westport, Conn., two granddaughters, Mrs. Linda Whitmer of Granite City and Mrs. Janet Beckett of St. Louis, and five great-grandchildren.

Graveside services will be held at St. John's Cemetery here at a future date.

MAN BUMPS HEAD

Claude Swift Jr., 31, of St. Louis, bumped his head during an auto accident last week and was admitted to St. Elizabeth Medical Center for observation. He also suffered cuts to his nose and left eyebrow.

J. J. Kantner, Press-Record printer, dies

James J. "Gravy" Kantner, 52, of Highland, a printer at the Press-Record for the past ten years, died at St. Joseph Hospital, Highland, at 5:45 p.m. Friday after a long illness of cancer.

Funeral services were held at 10 a.m. today at St. Paul Catholic Church in Highland, with the Rev. Fr. Kenneth J. Becker officiating. Burial was in St. Joseph Cemetery, Highland.

Mr. Kantner was a veteran of the Korean Conflict and was a member of American Legion Post 439 and Veterans of Foreign Wars Post 5694, both at Highland.

He also belonged to St. Louis Typographical Local No. 439 and joined the Press-Record worked at the Highland News Leader. He also formerly worked at the Type Setting Co. in St. Louis and formerly was an associate reporter of the St. Louis Livestock Reporter.

He is survived by his wife, Mrs. Carol M. Kantner; one son, Richard S. Kantner, at home; two daughters, Mrs. Edwin (Cheryl) Hazelhorst of Trenton, Ill., and Mrs. Fred (Lillian) Stumpf of Alhambra, a brother, Victor Smith of Highland, and two granddaughters, Mrs. Henry (Lillian) Kantner of Highland.

Walter Smith dies at 74

Walter H. Smith, 74, Apt. 14, Venice Homes, died at 4 a.m. Saturday at Northwestern Osteopathic Hospital, St. Louis, where he had been a patient two days. He had been ill for the past two years.

Mr. Smith was born in Carlinville, Ill., from where he moved to North St. Louis where he lived for several years before moving to the Quad-City area 38 years ago. He is survived by his wife, Mrs. Leatha Smith; four sons, Don of Spanish Lake, Mo., Bruce of West Alton, Mo., Norman of Jefferson Village, Mo., and Steve of O'Fallon, Mo.; five daughters, Mrs. Don (Pat) Carter of Pine Lawn, Mo., Mrs. Kenneth (Carol) Kuhl of Florissant, Mo., Mrs. Al (JoAnn) Neal of South St. Louis, Miss Linda Smith of Pine Lawn and Mrs. Richard (Susan) Williams, South St. Louis.

He leaves 31 grandchildren and three great-grandchildren.

Funeral services were to be held today. Details are given in the obituary column.

Gail Austin dies at home

Gail E. Austin, 50, of 1437 Second Street, Madison, was found without signs of life in his home Sunday. He was pronounced dead on the scene by Deputy Coroner William Sternberg at 3:10 p.m.

Born in East St. Louis, he had been a Quad-City resident for 19 years. He was retired on disability from A.O. Smith Corporation where he worked as a welder for 16 years.

Among his survivors are his wife, Mrs. Joyce Austin; a son, Robert Gail Austin, Granite City; a daughter, Mrs. Howard (Janet) Spiroff, Granite City; two sisters, Mrs. John (Jean) Stone, Madison, and Mrs. Betty Howell, Granite City, and two grandchildren.

Funeral arrangements are given in the obituary column.

UNDERCOATING—RALPH'S TEXACO 22nd & MADISON AVE.

Mary Kathleen Klotz dies

Mrs. Mary Kathleen (Lentz) Klotz, 53, of Belleville, the daughter of Mrs. Claudia Lentz of Granite City and the late John D. Lentz, died Friday morning at Belleville Memorial Hospital.

She had been ill with cancer.

Mrs. Klotz was a graduate of Belleville High School and was employed as a secretary at Scott Air Force Base, Belleville.

She was a member of St. John United Church of Christ in Mascoutah.

Among the survivors are

her husband, Delmar Klotz; one son, Steven Klotz of Belleville; a daughter, Mrs. Robert Stock of Belleville; her mother, Mrs. Claudia Lentz; four grandchildren; one brother, John D. Lentz II of Hazelwood, Mo.; and four sisters, Mrs. Marion L. Beaman of Waukegan, Mrs. Ralph Ziesek of Minnetonka, Minn., Mrs. Richard Searcy of Rockford, and Mrs. Lloyd Lerch of Collinsville.

Funeral arrangements are given in today's obituary column.

Nikolaos Milianis, 43, dies

Nikolaos "Nick" Milianis, 43, of 2020 Clark Ave., died at 1:30 p.m. Sunday at his home.

He had been in ill health for the last three years.

Mr. Milianis was born in Mela, Greece, and came to Granite City from his native land in 1966.

He had been employed for the past 23 years as a technician at the Granite City Dental Laboratory.

Mr. Milianis was a member of St. Elizabeth Catholic Church.

He is survived by his wife,

GAS CAN EXPLODES

A two-gallon gasoline can in the basement of the home of Pat DeGonia, 2684 Washington Ave., exploded and started a fire which caused an estimated \$550 damage. Granite City firemen extinguished the blaze.

Mrs. Morrison, 93, dies

Mrs. Elizabeth (Harbig) Morrison, 93, died early today at St. Elizabeth Medical Center.

She had been in failing health for some time.

Mrs. Morrison was born in the Horseshoe Lake-Bend Road area and had lived in the Quad-City region her entire life.

She and her husband, Phil Morrison, who survives, celebrated their 55th wedding anniversary last Feb. 11.

The couple had farmed for many years.

Mrs. Morrison was a member of Christ Unity Church in East St. Louis.

Beside her husband, Mrs. Morrison is survived by a sister, Millie, who resides at a nursing home in Missouri. Funeral arrangements are listed in today's obituary column.

5.25%

First Bank is now paying 5 1/4% annual interest on regular statement savings accounts.

Other continuing benefits of a First Bank statement savings account are:

- No Minimum Deposit
- Withdrawals may be made at any time in any amount during normal banking hours.
- Earned interest is computed and accumulated daily, paid and compounded twice annually (\$10 minimum balance).

Four-Year Investment Certificate

Minimum Deposit \$1,000

First Bank is now authorized to offer a new four-year Investment Certificate whose annual rate of interest is established monthly adjusted to 1 1/4 percent under the average four-year yield of Treasury securities.

This means the rate ceiling will vary from month to month. However, the rate in effect when your deposit is received will remain fixed throughout the four-year term of your certificate.

Substantial interest penalty is required for early withdrawal of time certificate funds.

Extensive nighttime college program at South this year

More than fifty college credit classes and eighteen "general studies" classes will be taught in the continuing evening program offered in Granite City by Belleville Area College.

College officials have encouraged those students who are taking credit courses to enroll for two courses rather than one.

Students taking six semester hours are eligible to apply for financial aid and may be able to take the two courses for less than one

would cost if they qualify. Financial aid information is available by calling Extension 326 at the main BAC campus (235-2700).

Credit courses to be taught during the evening at Granite City (GCHS South) are:

Typing I and II, Real Estate Transactions, Real Estate Appraisal, Introduction to Data Processing, Problems in Key Punch, Economics I, Personnel Management, Business Law I, Fun-

damentals of Labor Relations, First Line Supervision, Principles of Advertising, Occupational Safety and Health I.

Also, Writing, Lab, Rhetoric and Composition, Health, First Aid—Medical Self Help, Medical Terminology, Emergency Medical Technician, Introduction to Law Enforcement, Police Administration, Introduction to Literature I, Basic Math Concepts I and II, Intermediate Algebra, College

Algebra, Introduction to Philosophy, Introduction to Logic, Introduction to American Government, And, General Psychology, Applied Psychology, Child Development, Introduction to Sociology, Social Problems, The Family, Fundamentals of Public Speaking, Advanced Speech, Understanding the Arts, Drawing I, Introduction to Business, Business Math, Accounting I and II, Introduction to Marketing, Shorthand I and II.

Some credit courses offered this fall require prerequisite courses (courses which must be taken prior to enrollment in a more advanced course).

General studies courses offered for personal enrichment and skill development (not for transfer) are: Genealogy, Macrame, Basic Algebra, Know Your Car, Signed English (Deaf Communications), Intermediate Signed English.

Also, Custom Drapery, Intermediate Sewing, Upholstery, Cake Decoration

I, Art—Drawing and Painting, Foodservice Sanitation, Nurse Assistant, Refresher, Emergency Medical Technician.

A complete schedule of courses offered throughout the 2,000 square mile BAC district will be mailed to all homes served by the college in late July.

Full classes will start on Aug. 18.

Further information concerning any class offered during the evening at Granite City may be obtained by calling 876-7570.

More uniform mail size to be enforced

This Sunday, July 15, is the deadline mailers have to use up small and undersized envelopes and cards, the postmasters of the Quad-Cities reminded customers today.

Starting that date, the Postal Service makes its new size standards effective.

Cards and envelopes measuring less than 3½ inches high or 5 inches long no longer will be mailable and will be returned to the sender.

Extra large first-class envelopes — more than 6½ by 11½ inches — will incur a seven-cent surcharge if they weigh one ounce or less.

The postmasters advise that these oversized pieces will be returned to the senders if they do not carry the seven-cent surcharge, but can be remailed if the surcharge postage then is affixed.

However, delays for these pieces of mail can be avoided if mailers make sure that

sufficient postage has been applied, it was noted.

The new regulation also will prohibit thin or flimsy cards. After July 15, the cards must be at least seven thousandths (.007) of an inch thick.

"Small envelopes and flimsy cards tend to jam mail processing equipment and cause damage to other mail as well," explained the postmasters.

"The surcharge on oversized or odd-shaped pieces is intended to cover the added cost of handling such pieces, which must be processed manually," they said.

"These standards have been established to allow the Postal Service to process mail more efficiently, and this will mean better service for customers," they commented.

Motorcyclist is injured

Roy E. Weaver, 56, of 2240 Miracle Ave., was injured when his motorcycle and the pickup truck of Bill Seabaugh Jr., 1800 Beckwith St., Madison, collided at 13th Street and Edwardsville Road at 4:35 p.m. Thursday. Witnesses said the truck was southbound on 13th Street, stopped for a stop

sign and then started to cross Edwardsville Road when it was struck on the passenger door by the eastbound motorcycle.

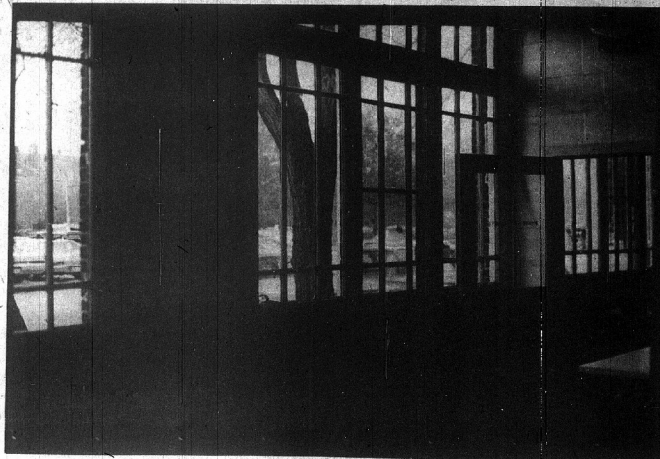

Weaver was taken by a Granite City ambulance to St. Elizabeth Medical Center where he was admitted for observation of chest pains.

'Dracula, Baby' auditions

To celebrate its 10th anniversary season, the East Bank Players of Granite City is planning to bring back one of the theatrical troupe's most popular productions—"Dracula, Baby."

The musical comedy will be staged this fall and the first auditions, appropriately enough, will take place Friday the 13th (July).

Local auditions will be held at 7 p.m. Friday and 2 p.m. Saturday at the Tri-City Area YMCA, Nidringhaus and Edison avenues.

Those auditioning should be prepared to read from the script and are asked to bring along, if possible, a piece of music of their own choice.

An accompanist will be provided on both days.

Two audition sessions also are arranged for 2 p.m. Saturday and Sunday, July 21 and July 22, at the Three Mile House, Highway 159, near Edwardsville.

The musical play is under the direction of Norma Mendoza and will be presented in October and November as a dinner show package at the Three Mile House restaurant.

The cast of "Dracula, Baby" consists of five men and three women, plus a chorus of ghosts, ghouls, goblins and mummies.

Leading the cast is Count Dracula, who is aided by a servant, Renfield, and the witch, Sylvia.

Lucy, the object of the count's evil intentions, is protected by her fiancé, Arthur, and her uncle, Dr. Seward.

Seward and Arthur enlist the aid of a fearless vampire fighter, Dr. Van Helsing to battle Count Dracula.

Another character running around the mad house is the Nurse, who finds Dracula very attractive.

Due to the East Bank Players' expanding its production schedule next season, the local theatrical group is hoping to increase membership in the organization.

"There are plenty of backstage openings, as well as a need for people interested in performing," a spokesman advised.

No experience is required, it was stressed.

Additional information may be obtained by calling 876-1688 or 877-8753.

JACQUELINE REEVES
Joins Air Force

Miss Reeves becomes airman

Jacqueline D. Reeves, daughter of Mr. and Mrs. Jack Reeves, 4113 Rode Ave., reported last week at Lackland Air Force Base in Texas to begin basic military training.

Miss Reeves graduated May 25 from Granite City High School North.

She volunteered for Air Force duty at the Granite City recruiting station and will serve for a four-year period.

After six weeks training at Lackland, Miss Reeves will be assigned for schooling to Chanute Air Force Base, Chanute, Ill., where she will remain for 18 weeks.

She has selected to be trained as an aero-ground-space mechanic.

Miss Reeves was active in many programs during high school. She was a contestant in the Junior Miss Pageant and a ballet student at the Salem School of Dance.

The new airman also served as a candy stripper at St. Elizabeth Medical Center, where her mother, Mrs. Ruth Reeves, is employed as a nurse.

Friends may write her at: Jacqueline D. Reeves, 350-60-9100, PSC 4, Squad 3703, Flight W176, Lackland AFB, Tex. 78236.

\$50,000 bond in shooting

Nathaniel R. Manzy, 21, of 539 Salveter St., Venice, pleaded innocent Friday to charges of attempted murder and armed violence contained in informational documents issued by the state's attorney's office.

Circuit Judge George Moran Jr. set Manzy's bond at \$50,000 pending a preliminary hearing.

The charges stem from the shooting early July 4 of Denise Hardy, 22, of 1929 Bissell St., Venice, who was shot in the face with a shotgun in her home.

The woman was injured seriously, police said, suffering cuts to her mouth and face, loss of all her upper teeth and loss of her lower lip.

Police said the woman told them she was in a bedroom of her home when someone removed plastic and cardboard covering a broken window and fired a shotgun into the room.

EXPERT APPRAISING MORRIS REALTY CO. 876-4400

Music Under Stars to salute Broadway

The Music Under the Stars choruses will present a "Salute to Broadway" at 8 p.m. Tuesday in the Wilson Park rink pavilion.

The public is invited and admission is free. Ample seating is provided.

Under the direction of Mrs. Mary Ann Bright, the adult and children's choruses will sing selections from 11 Broadway musicals.

The program will feature popular numbers from such productions as My Fair Lady, Brigadoon, Camelot, South Pacific and Oklahoma, among others.

The children's chorus will highlight the program with songs from The Wizard of Oz, including "Ding, Dong, the Witch is Dead" and "Follow the Yellow Brick Road," and "Whistle While You Work" and "Heigh-Ho" from Snow White.

Also included in the selections are: "It's a Grand Night for Singing," "That's Entertainment," "You made Me Love You," "Swinging On a Star," "Edelweiss" and "By the Beautiful Sea."

KEITH ROSE

Rose assigned to USS Midway

Seaman Apprentice Keith L. Rose of Granite City has joined the crew of the aircraft carrier USS Midway at its home port in San Diego, Calif.

He departed from here last week after spending a leave with family and friends.

The serviceman is a 1978 graduate of Granite City High School South.

He entered the U.S. Navy on Feb. 15 and completed his basic training period and Signalman "A" School at Orlando, Fla.

SA Rose, 18, will remain on the Midway for the next 2½ years. The ship is expected to depart shortly for Japan and other Far East areas.

He is the son of Mrs. Peggy Earhart of Granite City and John Rose of Tucson, Ariz.

In dance masters' sessions

Marga Salem, director of the Salem School of Dance, and her daughter, Lia Salem, attended the teachers' master sessions during the Dance Master's of America regional convention.

The four-day convention concluded July 4 at the Chase-Park Plaza Hotel in St. Louis.

Among those participating in student workshops held at the regional meeting were Gwynne Johnson, daughter of Mr. and Mrs. David Johnson of Granite City, and Linda Foster, daughter of Mr. and Mrs. Bruce Foster of Glen Carbon.

Both girls are students at the Salem School of Dance. Classes were held in ballet, tap, jazz, acrobatic, ballroom, Irish and disco dancing each day, with special dinners and various performing arts contests taking place in the evening hours.

Nationally known instructors taught the classes, including Dermot Burke and Fred Knecht, ballet, Bonnie Cokinos, pre-teen and teen ballet, Ronald Matty, tap and jazz, Stan Mayin and David DeMarie, tap, Billy Ryer, acrobatic, and Joe Tremaine, jazz.

Spain suffered a concussion and Pouch was admitted for observation since he lost consciousness for a period.

Other passengers in the vehicle escaped injury.

Changes necessary in precinct lines

A revision of precinct boundaries in Granite City to make them conform with county precincts will be required under the election consolidation law, City Clerk Robert Stevens has informed members of the City Council.

Stevens said that he had talked with County Clerk Evelyn Bowles and that he was told it is imperative the changes be made, even though some aldermen in the past have opposed changes in the boundary lines of the wards they serve.

Stevens told council members that Miss Bowles asked his office to supply her with boundaries of present city precinct and ward boundaries.

The revisions necessary will eliminate any overlapping of precinct boundaries from one ward into another, Stevens said.

"Because of the new election law such revisions must be made. The city precincts will have to conform to those of county precincts, or the county precincts conform with the city precincts or whatever," Stevens said.

In any case there will be changes," he noted.

The city recently effected changes in the boundaries of some city precincts, but others were left unchanged.

City Attorney Lance Callis told the aldermen last week that the boundaries of precincts in wards four, five and six, are in conformance with county lines.

WRONG ADDRESS Joe Barnett, 20, charged last week with two traffic violations following an accident, does not live at 708 Kirkpatrick Homes, according to the occupant at that address. The Kirkpatrick Homes address was listed when Barnett was charged, according to police records.

MR. AND MRS. PAUL E. WEEDITZ. They were married on June 23 at St. John's Roman Catholic Church, Joliet, Ill. The bride is the daughter of Mrs. Cecelia Wilson, 903 Greenwood St., Madison.

Shirley Wilson and Paul Weeditz marry

Shirley Wilson and Paul Edward Weeditz were united in marriage June 23, 1979, at 2 p.m. at St. John's Roman Catholic Church, Joliet, Ill. Father Roger Lechtenberg, O.E.M., officiated.

The bride is the daughter of Mrs. Cecelia Wilson, 903 Greenwood Street, Madison, and the groom is the son of Mr. and Mrs. Edward Weeditz, of Joliet.

Music for the double ring ceremony included "The Wedding Song," "Take My Hand," "Wherever You Go," "Pans Angelicus" and "Ave Maria."

For her wedding the bride chose a gown of ivory satrapeau. Imported re-embroidered alencon lace and tiny seed pearls graced the high neckline and bodice. The same lace was artfully placed on the lanteen sleeves.

The entire empire A-line skirt was accented with alencon lace applique and seed pearls. Matching alencon lace and seed pearl trimming carried over onto the fingertip veil, secured by a camelot cap. She carried a cascading bouquet of butterfly orchids and greenery.

Mrs. Nancy Daoust served as matron of honor and Miss Mary Riordan and Miss Anna White were the bridesmaids.

They wore floor length

rose colored quiana gowns which featured Dalman sleeves. In their hair they wore sweetheart roses and baby's breath and carried a rubrum lily bouquet.

The best man was Mark Weeditz, brother of the groom, and groomsmen were George Kazell and Steven Daoust. Seating the guests were George Kusnik and Steve Kertes.

A rehearsal dinner was held at the Blue Willow Restaurant, Lockport, Ill. A reception was held following the wedding at Town and Country Hall, Joliet.

The bride is a 1972 graduate of St. Teresa Academy and received a B.A. degree in Elementary Education from the College of St. Francis, Joliet, in 1975 and an M.S.E.D. degree in Educational Administration from Northern Illinois University in 1978. She is presently an elementary school teacher in Plainfield, Ill.

The groom holds a B.A. degree in Business Administration from Lewis University, Lockport, Ill., and is employed as a division marketing representative for Texaco, Inc., Chicago.

After a wedding trip to England, France and Spain, the couple will reside in Joliet.

Kimberly White and Jeff Withers marry

Miss Kimberly E. White became the bride of Jeff Withers June 9 in a candlelight ceremony at the First Church of the Nazarene.

The bride is the daughter of Mr. and Mrs. John Holton of Granite City, and the groom is the son of Mr. and Mrs. Ernest Withers, also of Granite City.

The Rev. William Roddy performed the double ring ceremony.

Music was provided by pianist Mrs. Kay Sykes and soloist Ginger Faulkner. Selections were: "You Light Up My Life," "Color My World," "If," "There Is Love," "We've Only Just Begun," and "Wedding March."

The bride chose a Chantilly lace gown which featured a square neckline accented by tiers of lace. The full lace skirt ended in flounces of matching lace at the hemline.

She wore a walking length veil trimmed in lace and carried white carnations, sweetheart roses and baby breath.

Matron of honor was Mrs. Billie Bailey. She wore a floor length pink gown trimmed in

white and carried carnations in various hues.

Bridesmaids were Linda Starnes, Carla White, the bride's sister, Melinda Withers, the groom's sister, and Anita Fernandez.

They wore gowns matching that of the matron of honor in mint green, yellow, apricot, and light blue and carried flowers matching their dresses.

Flower girls were Julie Bailey and Dina Withers. Ring bearer was Jason Sykes.

Emily Bailey and Ray Weible were the miniature bride and groom.

Mrs. Holton, the bride's mother, wore a long apricot gown with sheer sleeves. The groom's mother, Mrs. Withers, chose a formal length mint green gown trimmed in white.

Dennis Withers, brother of the bride, served as best man. Groomsmen were Mark Beckly, Randy Teller, Bill Sykes and John Hughes. Tommy Jackson and Rick Hooper were ushers.

A reception was held following the ceremony at Polish Hall in Madison.

After a wedding trip to the Ozarks, the couple is residing in Granite City.

TO MARRY. An Oct. 6 wedding is being planned by Miss Teresa J. Tingley and her fiancé, Roy A. Boyer. Miss Tingley is the daughter of C. A. Tingley of Granite City and Mrs. Sandra Lamping of St. Louis.

Boyer-Tingley engagement

Miss Teresa Tingley will become the bride of Roy A. Boyer Oct. 6 at First Assembly of God Church.

The bride-elect is the daughter of Mrs. Sandra Lamping of St. Louis and C. A. Tingley of Granite City. Her fiancé is the son of Mr. and Mrs. Fred Ray Boyer, 3001 Warren Ave.

Miss Tingley is a 1976

graduate of Granite City High School. North and is employed as a flight attendant for TWA.

The groom-elect is a 1972 graduate of Granite City Senior High School, and is employed by Crown Cork and Seal in St. Louis. He is pursuing a ministry through songwriting and music.

Hold Campbell family reunion

The fifth annual reunion of the Campbell family was held last week at the home of Mrs. Nina (Campbell) Gray, 733 N. 26th Place.

The event was highlighted with a barbecue picnic supper, attended by 37 family members.

Among those present were Pat and Edna Elder and son, Terry, and Sammy and Carol Campbell and children, Charles and Tina, all of Booneville, Mo.; Bud and Edith (Campbell) Woods and children, Bryan, Lisa and Scotty, and Robert and Shirley Campbell and granddaughter, Melissa, all of Fayette, Mo.

Jimmy and Peggy Garrett and sons, James and Chadd, of Columbia, Mo.; Mrs. Eleanora Smoot and children, Lisa, Rita and Teddy, and grandson, Jeremy, all of Bromley, Mo.; Joe and Judy Campbell and children, Angela and Joe, of Wichita, Kan.

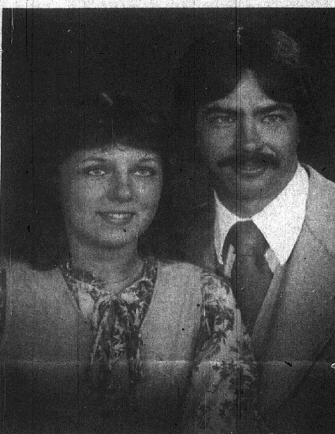

H. D. and Nina (Campbell) Gray and daughters, Paula, Talitha and Susan, Mrs. Rita Bradford, Miss Sheila Smick and Chris and Travis Stroder, all of Granite City.

FORTHCOMING MARRIAGE of Miss Tamera L. Willis and Clyde W. McGill Jr. is being announced by the bride-elect's parents, Mr. and Mrs. Fred E. Willis, 2340 Cardinal Ave. The wedding is set for July 21.

Miss Willis to marry

The approaching marriage of Miss Tamera L. Willis and Clyde W. McGill Jr. is being announced by the bride-elect's parents, Mr. and Mrs. Fred E. Willis, 2340 Cardinal Ave.

A July 21 wedding is being planned by them and their families.

The groom-elect is a son of Mrs. Macell McGill of East Alton.

The bride-elect, a 1978 graduate of Granite City High School South, is employed at Hudson Jewelers in Granite City.

The prospective groom is a 1972 graduate of Roxana High School and a 1979 graduate of Southern Illinois University at Edwardsville. He is employed by the Rosewood Heights Fire Department.

BUS TRIP TO NEW SALEM, SPRINGFIELD

Senior Citizens of Chouteau Township held their monthly meeting at the Township Center, Ferd Segar president, presided.

Maxine Duniphan of the American Red Cross was guest speaker and gave a demonstration of bandages.

A sightseeing bus trip is planned for July 12, to New Salem and Springfield, it will leave the center at 8 a.m. and 23 people signed up to take the trip. There is room for 22 more.

Senior citizens wishing to sign up to go may call Secretary Avalon Young at 981-0785.

The birthdays of Alice Jones, Esther Buske, Wayne Young, Ferd Segar and Louisa Hall were observed and cake and coffee were served after the meeting.

The next meeting will be held on the fourth Tuesday, July 26, a potluck supper of salads will be served.

Mitchell

MRS. LOIS WEEKS
128 Cynthia Lane
931-1493

NORTHWESTERN TOUR Mr. and Mrs. Howard Baker, 700E Meadow Lane Drive, and their son, Robert, have returned home from a trip to the Northwestern states.

Their son, Mike, is in the Air Force and was transferred to Malmstrom Air Force Base in Montana. The family took him out there and visited a few days with Mr. and Mrs. James Staedt, former residents of Mitchell. They also visited Mr. Rainier and Glacier National Park.

SECOND BIRTHDAY OF STEVEN GESKE

Steven Geske celebrated his 2nd birthday with a dinner party and barbecue, given by his parents, Mr. and Mrs. Mike Geske of 15 Blue Spruce Court.

His birthday cake and other decorations were in a Sesame Street theme.

Those present included his sister and brother, Tonya and Mike Geske, his maternal grandparents, Mr. and Mrs. Gilbert Richter, of Hardin, Ill.; Samuel Richter of Hardin; his godparents, Mr. and Mrs. Dennis Moniz and their children, Jennifer and Jamie.

Mr. and Mrs. Norman Richter and son, Norman Jr., Mr. and Mrs. Bob Utery and children, Les and Laura, of East Alton, Mr. and Mrs. Mike Barnett and children, Richie and Sheila, of Brighton.

Mr. and Mrs. Edward Geske and children, Linda and Ronnie, of Godfrey, Mr. and Mrs. Duane Geske of Jerseyville, Mr. and Mrs. Earl Geske and children, Liz, Debbie and Erlene, of San Francisco; and Mrs. Lois Scott and son, Larry, of Oak Ridge, Tenn.

MR. AND MRS. MICHAEL WEBB. They were united in marriage May 19 at City Temple Assembly of God Church. The bride is the daughter of Mr. and Mrs. James E. Leslie, 2703 Denver St.

Miss Leslie becomes Mrs. Michael Webb

The former Miss Joan Elizabeth Leslie and Michael J. Webb exchanged wedding vows in a May 19 evening ceremony at City Temple Assembly of God Church.

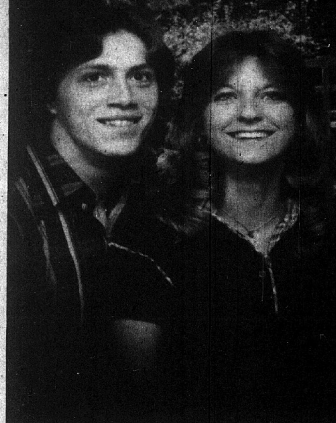

The bride is a daughter of Mr. and Mrs. James E. Leslie, 2703 Denver St., and the groom is the son of Mr. and Mrs. Riley Webb of Collinsville.

The Rev. Eugene Cope officiated at the double ring ceremony.

The bride is a 1974 graduate of Granite City High School South, and is employed as a medical secretary at St. Luke's Hospital in St. Louis.

The groom graduated from Winchester High School in Winchester, Ill., in 1974, and is employed at Tipton Appliance in St. Louis.

The newlywed couple is residing in Hazelwood, Mo.

TO WED. Miss Cynthia Harris and Rollin Bickell Jr. are making plans for a July 1980 wedding. Their engagement is being announced by Mr. and Mrs. Vernon (Jean) Harris, Granite City, parents of the bride-to-be. The prospective groom is the son of Mr. and Mrs. Rollin Bickell Sr., Granite City.

North squads sweep prep cage classics

Mines leads Class A North

By PETE HAYES
Sports Editor
of the Press-Record

PEORIA — Led by Barney Mines' 22 points, the Class A (small school) North basketball all-stars came from behind for a 101-96 victory here Saturday night over the North squad in the fifth annual Illinois Basketball Coaches Association all-star game in Robertson Field House at Bradley University.

Mines, who helped lead Providence-New Lenox to the Class A state championship in March, was the darling of most of the 6,300 fans who braved July heat to watch basketball.

But it was far from a friendly battle. Both teams wanted the victory badly. "This is like a neighborhood rivalry," said Benton coach Rich Herrin. "This is just like Collinsville and East St. Louis, Quincy against Galesburg, Olney against Lawrenceville, or Madison against Venice."

The latter two teams were represented on the South squad. Madison's Kenny Stanley and Venice's Ron Salmond were in uniform and saw action. Salmond played the most of the two, 19 minutes. Stanley played 13. But when they were in there together, they looked as if they'd been playing together all their lives. That's probably because they have.

The two traveled to Peoria together, and roomed

points after grabbing cars.

Stanley had a streak in the first half of three straight long jumpers and ended the game with seven points. He said he was surprised he didn't see more action. "I thought I'd play more," he said. "I don't think I was doing anything wrong out there. But he (Head Coach Bob Dallas of Ridgeway) had a lot of guys to get in the game."

A "battle-within-the-war" took place most of the game between the South's Roger Steig of Nashville and the North's Rick Lamb of Illinois. Steig, headed for Mississippi next fall and Lamb, going to Illinois State, shoved, pushed, elbowed and on a couple occasions actually swung at each other while jostling for position under the boards. Steig is 6-foot-7 and Lamb is 6-foot-8. Lamb eventually fouled out of the game. Steig finished the game with 17 points compared to Lamb's 10. But it was only one of five private battles going on during the game.

As much as Steig was glad to have won the battle against Lamb, he would rather have won the war — the game.

The North led at halftime 52-41 and had visions of runaway dancing through its minds. But Brooks and company erased the thought quickly. He hit a jumper from the corner that gave the South the lead, 77-76. Then he and Steig added two baskets each as the squad pushed its lead to 87-82.

Dallas said he was pleased with the way his team performed. "I thought we played well," he said. "But we took some bad shots in the last three minutes or so. We did a pretty good job of containing Mines in the second half," he said. "But that's all you can do — contain him. You can't do anything more. Just hope he doesn't do too much damage."

"But as good as Mines was, it was team work that won the game for the North."

Havana guard Brad Gregurich, who played against Stanley when his team played Madison at the Elite Eight State Finals in Champaign, finished the game with six points and one assist. But even he was impressed with Mines, who had helped beat his team in the state championship game. "Man, you don't realize how good a guy really is until you play with him," he said. "That guy is fantastic. His passes are terrific."

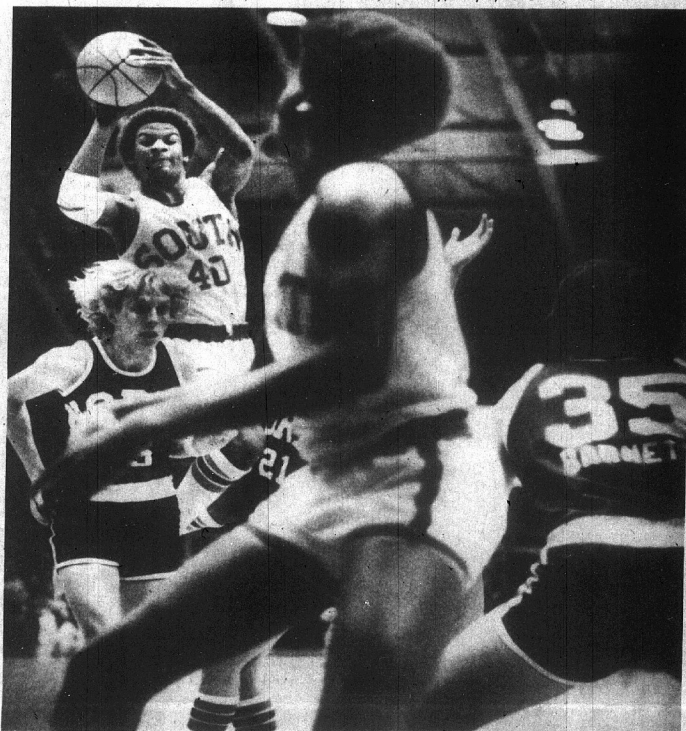

Mines, who did not qualify for a NCAA Division I scholarship because of low grades, will attend Southern Junior College in California for one year and then transfer to Marquette University.

Salmond will play at Lewis and Clark Junior College in Godfrey next year. Stanley has not yet announced his college choice.

Only one of Belleville's five runs was earned. The other four were either set up, or the outright result of, one of four Glen Carbon errors.

In the second inning, when Belleville scored two runs to take the early lead, what should have been an inning-ending double play turned into a rally.

Belleville's Steve Hausman, who had hit into the apparent double play, went to second when the

TEAM-WORK. Kenny Stanley of Madison for the Class A South gets ready to pass under the basket to teammate Ron Salmond, (foreground) of Venice during action Saturday

night in the fifth annual Illinois Basketball Coaches Association all-star game at Bradley University in Peoria. On the play, Salmond got loose for the pass from Stanley and scored.

Tri-City nips Marissa 2-1

GRANITE CITY — Tri-City's fortunes in post-season American Legion baseball this season probably depends to a large degree how well it pitches hold out.

If this past week is an indication, Tri-City's steadily

improving play, led by solid pitching, makes them look increasingly like contenders. Back-to-back displays of Tri-City's pitching strength made it a winner against Crestwood, 4-1 Thursday and against Marissa, 2-1 Saturday.

Against Marissa, Tri-City sent Terry Lindsey to the mound. With him, Lindsey brought a 0.51 ERA, compiled by allowing only three earned runs in 41 innings.

Lindsey pitched around Marissa threats in seventh and eighth, holding his team

in the game until the ninth when Tri-City came up with a single run to break the 1-1 tie.

Tri-City scored the winning run in the ninth when Bob Stegemeier led off with a single, Jim Lewis, after an infield out, hit a fly to the

(Continued on Page 11)

Four GC kickers named to elite group

LAPORTE, Ind. — Four Granite City prep soccer players have been named to attend the National Youth Cup Soccer Team training camp July 16-Aug. 1 in Colorado Springs.

Tony Pierce, a goalie from Granite City North, Jack Burnett, David Fernandez and Randy DeRousse, all from Granite City South, were named here yesterday.

Pierce was named the number one goalie in the Midwest. The four were among 12

from the Midwest Workout camp here who were named. Illinois will send five players to Colorado.

Missouri four, and Wisconsin, Ohio and Indiana one each.

The players will train and workout at the National Olympic training site. The Olympic Committee sponsors the event. The ultimate goal is making the National Youth Cup team. There will be 64 at the camp from which 20 will be chosen for the squad.

The four were among 12

Cummings too much for South

By PETE HAYES
Sports Editor
of the Press-Record

PEORIA — If you happen to see Collinsville's Gary Kerkemeyer on the street the next couple of days and he looks a little the worse for wear, there's a good reason. Terry Cummings.

Kerkemeyer was in uniform here Saturday night for the Class AA South in the fifth annual Illinois Basketball Coaches Association all-star game. Cummings was in uniform for the Class AA North. It was a bit of a mismatch.

Cummings, a 6-foot-9 center from Chicago Carver scored 26 points to lead the AA North to an 88-82 victory over the South in the game played at Robertson Field House on the Campus of Bradley University.

Kerkemeyer, the 6-foot-7 St. Louis University-bound Collinsville standout, found himself up against Cummings numerous times — both on offense and defense. On offense, the taller Cummings blocked two of Kerkemeyer's shots. In all, the former Kahok had six of 10 attempts rejected. And most were right underneath the basket. He scored six points on a one-of-10 performance from the floor and four of four showing at the free throw line.

Kerkemeyer, did not start the game, however. South Coach Dick Van Scoyoc of Peoria Manual started Keith Douglas of Quincy, Johnnie Fayne of Carbondale, Darrell Jones of Olney, Dana Dunson of Bloomington and Kevin Bontempo of Madison. The entire lineup was switched by both teams every seven minutes.

Van Scoyoc's starting lineup didn't do much for the South's hopes. It appeared early as if a North runaway was in the making. An all-star game usually doesn't see one player take over the way Cummings did. But he did.

"We didn't have anyone who could stop the guy," said Van Scoyoc. "Size-wise, we didn't have anyone who could match up against him."

Cummings was named the most valuable player for the Class AA North squad, while Douglas was given the same

honor for the South. He scored 16 points and grabbed nine rebounds.

The South grabbed a 12-10 lead after 4½ minutes of the game, but was outscored by the North 18-2 over the following five minutes. The surge was led by — you guessed it — Cummings with six points.

But the South refused to die. With 2:01 remaining in the first half, Herrin's Ivy Lukens hit a one-and-one situation to pull his team within six, 44-38. With 1:34 left, Lukens hit a layup after a steal by Bontempo to make it 44-40. He was fouled by Oren Dillard of the North, but failed to convert the free throw. Keith Douglas of Quincy continued the comeback with 1:13 left when he made two free throws after being fouled by Dillard.

After his amazing showing, Lukens was banished to the bench by Van Scoyoc. He only played 11 minutes the entire game. After starting the game, Darnall Jones played only 10½ minutes.

"There were a few players on the team who plain got the shaft," a South player said afterwards. "Lukens, Prudhoe, Darnall."

"We came up here and worked our tails off for five days and a lot of the guys who played a lot tonight were out all night, breaking every training rule that had been set up."

"I guess there's a lesson in there. If the coach sets up rules for all the players, you really don't have to mind them if you're somebody."

But despite the antics of Cummings, the South stayed in the game. In the second half, it scored 13 unanswered points at one stretch and crept back to take a 67-66 lead with 11:12 left to play. Kerkemeyer put the South in front when he hit both ends of a two-shot free throw situation.

"Man, you've got to give them (South) credit for coming back the way they did," said North head coach Bill Gleason of Chicago Loy Academy. "They actually ran their patterns better than we did out there. But then, we didn't exactly HAVE TO run too many patterns," he said with a grin.

Gen Carbon is fading fast

BELLEVILLE — It's hardly a secret that Glen Carbon's American Legion baseball team drew most of its players from Granite City North's state finalist team.

In fact, when the Glen Carbon faithful want to urge the team to often refer to it as "Steelers" or "Lumber Company."

But after yet another disappointing weekend, in which Glen Carbon lost first to Alton on Thursday, 7-3 then to Belleville, 5-1, those same fans must be wondering if the "Lumber Company" has gone out of business.

Glen Carbon coach Bob Baley is wondering too. He watched the first six batters in the Glen Carbon order go hitless against Belleville.

"Our top six have had problems all season practically," he said. "It goes back almost to the games against Trenton. (In the first week of the season.)"

"In high school, about

seven of these guys hit over 300. Now we have only three hitting barely 100. I thought when the season started we'd win the division. I don't know what went wrong."

Glen Carbon's problems with hitting have been typical of a confusing season. In addition to the fact that the bottom three in Glen Carbon's line-up carried the offensive load—they accounted for all of Glen Carbon's five hits, an airy defense added to Glen Carbon's problems.

Only one of Belleville's five runs was earned. The other four were either set up, or the outright result of, one of four Glen Carbon errors.

In the second inning, when Belleville scored two runs to take the early lead, what should have been an inning-ending double play turned into a rally.

Belleville's Steve Hausman, who had hit into the apparent double play, went to second when the

Glen Carbon throw to first was mishandled.

Matt Zipfel followed with an infield hit to Glen Carbon's Bob Baley. Baley's throw to first was wide, allowing Hausman to score. Jeff Junker then singled home Zipfel.

Zipfel drove in his team's third run in the fourth. Pete McClary singled, went to second on an infield out, then scored on Zipfel's single.

Glen Carbon's only run

came in the fifth. Greg Faulkner, who recorded a complete game pitching performance, doubled and was driven in on Mike Hubbard's single.

Belleville rounded out the scoring in the bottom of the fifth, again spurred by Glen Carbon mistakes.

John Duncan led off the inning with a single. He stole second and went to third on a throwing error by Glen Carbon.

SPORTPOURRI

10—Monday, July 9, 1979, GRANITE CITY (III.) PRESS-RECORD

Hoop time in July? You bet your nets

PEORIA — Basketball in mid-July? Yup. And it was excellent basketball at that.

The fifth annual Illinois Basketball Coaches Association North-South all-star games were held here Saturday night at Robertson Field House on the campus of Bradley University. The game involved the best graduating seniors in Illinois against each other in a North-South setup. The Class A South faced the Class A North in the first game, while the Class AA stars did battle in the second. Both were classic battles. The North won both contests.

But barely. The small school North won 101-96, while the Class AA won 88-82.

Representing the Quad Cities were Ron Salmond of Venice and Kenny Stanley of Madison.

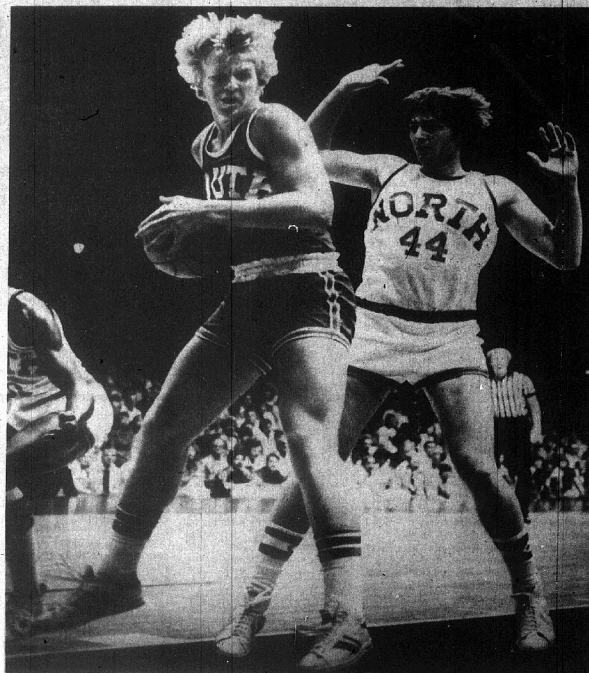

During the training week, the squads scrimmaged the two teams they would not be facing Saturday night. There were some surprises. The Class A South beat the Class AA North and the Class A North beat the Class AA South. The Class AA schools both won their games with the Class A schools from their same part of the state.

The games were witnessed by nearly 7,000 screaming fans. There is no love between the North and the South — even in basketball.

This was the first year the games were played in Peoria. The previous four had been at Illinois State University in Bloomington. But the size of the crowd and the way the entire week was handled by the Bradley officials has prompted the IBCA the announce that Peoria will be the site for next summer's games.

PHOTOS—UPPER LEFT: Venice's Ron Salmond goes high in an attempt to block a shot by a North team member; **UPPER RIGHT:** Madison's Kenny Stanley drives toward the basket; **LOWER RIGHT:** In Class AA action, Darnall Jones of Olney rips down a rebound; **LOWER LEFT:** Salmond (far left) and Stanley (far right) line up along the lane during a free throw situation.

Tri-City

(Continued from page 9)

center fielder that took a bad hop and glanced off his shoulder, scoring Stegemeyer.

Jeff Parker's home run in the second produced Tri-City's first run. Parker hit a 24 pitch about 375 feet over the left field fence.

Marissa tied the score in the bottom of the second. Brian Schulte reached on a two-out single, went to third on a bad-bounce grounder, and scored on a passed ball.

Although both teams had opportunities, neither scored until the ninth.

Tri-City scattered seven hits, and committed three errors.

Thursday, Crestwood brought a number one area ranking and a lopsided win record here. That combined with the memory of twin humiliations of Tri-City in an early-season doubleheader, made Tri-City's chances look slim.

But Tri-City's pitcher Dave Weil silenced any doubts about his team's ability to compete, as well as Crestwood's highly touted batters.

Weil allowed only three hits, and all of those in the first two innings.

Glen Carbon

(Continued from page 9)

bon's Dick Awall.

Austin Kattenbraker then reached first after being struck by a pitch. Both Kattenbraker and Duncan scored on an error by Glen Carbon's right fielder Jim Robinson.

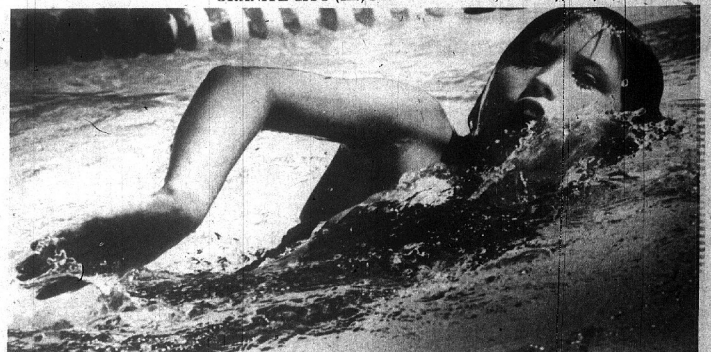

On the error he (Robinson) just misjudged the ball," Bates said. "He broke the wrong way to start, and when he caught up with it, it went off his glove."

For Belleville, owners of a 15-1 record, this game was a chance to redeem itself after losing its first game of the season the night before.

Belleville lost 8-5 to Marissa Friday. "I think losing a game like that, one we kind of gave away, got us going tonight," Belleville's distance-going pitcher Ray Padgett said. "This was a big one for us tonight."

Thursday, Glen Carbon's game against Alton was called because of darkness after the top of the seventh inning.

The five runs Alton scored in the top half of the inning were erased, but thanks to three-run third and a four-run fourth, Alton still managed to beat Glen Carbon 7-3.

SWIMMING ACTION

Thursday at Paddlers' Pool sees this youngster treading water with quite a bit of determination. Paddlers defeated Belfontaine Neighbors easily in the

swimming-diving meet. The next action for Paddlers will be tomorrow night at Dorchester Swimming Club in Belleville.

(Press-Record Photo)

Paddlers are overwhelming

GRANITE CITY — The Paddlers swim club and diving team each were winners over the Belfontaine Neighbors Eagles swimmers and divers in a Southwestern Illinois Swimming Conference meet Thursday.

Paddlers swim club won 394-198, while the divers won 42-25.

Members of Paddlers setting team records were Jason Jolly in the boys 11-12-year-old 100 meter medley with a 1:26.7; and John Amisich in the boys 9-10-year-old 100 meter medley with a 1:29.00, and in the 50 meter butterfly with a 1:42.67.

Several other Paddlers swimmers were also double-

winners. Vince Darnell won both the boys 8 and under 25 meter freestyle and the 25 meter breaststroke. Shawn Allen won the 15-14 boys 100 meter freestyle and the 200 meter medley. Scott Buenger won the 15-17 boys 200 meter medley and the 100 meter breaststroke.

Lisa Lilley, David Jolley, Mark Doniff, and Chris Doniff were first place winners for the Paddlers divers. Kathy Zeugin, Heather Seubish, Susan Robinson, Richard Skubish, Troy Adamitis, and Jim Pourdas took second places for Paddlers.

Jones wins second feature

By JEFF EAVES

for the Press-Record

GRANITE CITY —

Driving his Jones-Lockhard Welding Camaro, Rob Jones won the first heat over Mike Perlow, Don Holt and Len Garson. Paul Gehhart won the second heat over Dan Tourney, Mike Nikonovich of Granite City and Paul Humphrey Jr., of Granite City.

C. C. Corbin of East Alton, Ill., was making repairs on his car last week and cut his right hand and damaged tendons inside his hand. Doctors said Corbin would be out of action from six to eight weeks, but miraculously was in his familiar No. 27 late model stock car and proved the doctor's wrong as

he won a heat and the trophy dash and only driving with one arm. Corbin held his own in the 20-lap feature only to finish second. Tri-City Speedway announcer Neal Moore nicknamed Corbin the "One Arm Bandit."

Corbin, who started in the front row, led for six laps until Joe Ross of Mechanicville, Ill., passed him and won his second feature of the year by a commanding margin.

The race was going along steadily until the 17th lap when Rodger Cairns of Brighton, Ill., and Ernie Jumper of Imperial, Mo., tangled in turn three. C. C. Corbin at the time was running second to Ross closed the gap between them due to

the yellow flag.

When the green flag fell Ross pulled away from Corbin and went on to claim the victory. Corbin held on to finish second, followed by Dick Taylor of Springfield, Ill., Bill Myers of East Alton, Ill., Gary Potter of St. Charles, Mo., Mike Wallace of Arnold, Mo., Rick Sandridge of Springfield, Ill., and Kent Randolph of Champaign, Ill.

Dick Taylor won the first heat over Johnny Prior of Centralia, Ill., Bill Myers and Joe Ross. C. C. Corbin captured the second heat over Mike Wallace, Kent Randolph and Bill Laycock of Granite City. The consolation race was won by Gary Potter.

Mitchell drops doubleheader

MITCHELL — The Mitchell Athletic Club dropped two to the Maryville Red Sox yesterday which gives it an Inter-City League record of 4-12. MAC lost the second game in extra innings and was blown away in the first game of the doubleheader.

"We had 19 hits between

the two games and seven in the last one," said MAC's player-coach, Ken Crawford. "They had that one inning where they scored three on two errors. The score would have been 4-1 with us winning instead of the 6-4 final score."

MARYVILLE 15, MAC 4

The first game of the day was a brutal one for MAC. They gave up four runs in the top of the first, five both in the fifth and sixth, and one in the sixth. Mitchell scored two in each the third and seventh.

MARYVILLE 6, MAC 4

The second game was a little different. MAC led the game 1-0 after Sikes got another RBI hitting in Bates in the bottom of the first.

Tri-City wins 13-run pool in easy victory

By TOM SCHOCKER

for the Press-Record

GRANITE CITY — At the beginning of the season, Tri-City American Legion lost 113's baseball team chalked up an impressive 4-0 record but suffered some problems and slumped to the 300 mark. Regaining a bit of confidence they gradually showed signs of a comeback.

After their league game with East St. Louis on Friday, Tri-City looked as though it were trying to preserve an undefeated mark.

Tri-City's starting pitcher Al Yount allowed just two runs on four hits in a shortened 5 inning game as Post 113 buried East St. Louis 13-2 at Granite City South Field.

In his division, Tri-City is currently in third behind Edwardsville and Highland. The win upped its league record to 8-5 and overall record to 11-11. Before the game head coach Kirk Champion talked about his club's chances for the playoffs. "I think eight losses in the league will make the playoffs," said Champion. "They will take the top four teams from each division, so we have a strong chance. If we lose tonight, it's not going to hurt us very much because it's not a division game."

According to Champion, Tri-City had just come off a big win over Crestwood, who is the number one team in the St. Louis area. "It was a big win for us," said Champion. "Crestwood's district has been wiping up on our district lately, so we put it to them."

Even though Tri-City gained a confidence builder, it seemed over confident as they began their game with East St. Louis. "If we can control East Side's speed, I think we can beat them," said Champion. "They will definitely run on us."

It was not the speed afoot that Champion had to worry about. It was the speed of the

ball as the opening frame showed. With one on and one out, East St. Louis' Vic Scott sent an Al Yount pitch sailing for the sky. The ball rose and rose until it cleared the left field fence for a 2-0 lead.

Trying to recover from the blast, Tri-City finally broke through in the second when Jeff Parker trotted home on a Todd McFarland fly ball deep to right field. Looking for the tie in the third didn't materialize but gold was struck in the fourth.

After an RBI single off the bat of Jim Thurman to knot the score at 2-2, Steve Flicker stepped to the plate. He had struck out in his previous trip to the dish and was in the process of repeating it again with a two-strike count. Staying with the pitches, Flicker delivered a shot reeling to the gap in right center. Two runs crossed the plate, Flicker slid into second with a double and Tri-City had the lead at 4-2. Adding still another run, Post 113 capped off a four run outburst with an RBI by Mark

Linhart.

That was all Tri-City needed to do East Side in. They failed to recover and Champion's crew poured it on in the following frame. An error, two walks, coupled with a six hit attack and Post 113 sent 13 men to the plate, scored eight more times, breaking the game wide open.

Following the final out in the fifth a conference was held at home plate with Coach Champion, East St. Louis' coach and the two umpires. The verdict was to call the game, giving the victory to Tri-City.

Reminders to students who get Social Security

About 850,000 students 18 to 22 receive a total of \$1.6 billion a year from Social Security because a parent is getting retirement or disability benefits or has died. If you are one, here are some reminders.

If you will soon start your first job and don't have a Social Security card, apply for one at any Social Security office. This must be done in person, since you are at least 18. Apply early, as it takes about six weeks to receive the card.

Bring your original birth certificate (or church record of birth or baptism recorded before age five) as proof of your age and place of birth.

If you were born outside the United States, call the Social Security office before you come to find out what additional proof is needed. You also will need some current identification, such as a student ID card or a driver's license.

If you had a Social Security card but lost it, you can get a duplicate with the same number. Bring the stub that came with the original card, if you have it, and

proof of identity when you apply for the replacement card.

If your job will start before the card arrives and your employer wants proof that you applied, you can get a receipt from the office.

You can work and earn up to \$3,480 in 1979 and receive all your Social Security checks.

If you earn more than this amount, \$1 in benefits generally will be withheld for each \$2 in earnings over \$3,480.

Earnings for the entire year must be counted, including earnings in months before your benefits started and in months after they ended.

You can receive Social Security payments for the summer months as long as you plan to return to school full time next fall. If you aren't sure, it's a good idea to have your checks stopped so you won't be overpaid.

Should you go back to school, back payments then will be made for the months checks were stopped. It is important to let Social Security know immediately whenever you stop attending school full time, or if you switch schools. You may also promptly complete and return the reporting forms sent to you twice a year.

The one that you should have received this spring had a place at the bottom for the school registrar to verify that you have been enrolled in school.

Your benefits will stop if you do not send back the form. And an investigation will be made to determine if all past payments were correct.

If you did not receive this reporting form (called "Report of Student Beneficiary at End of School Year"), call your Social Security Office.

If you live in St. Clair, Monroe, Washington, Clinton or the Southern third of Madison County, you may contact either the East St. Louis or Belleville Social Security offices.

The East St. Louis office is at 650 Missouri Avenue and the Belleville office is at 218 West Main. You can call 274-4100 or toll free Enterprise 1-555 to reach either office.

Driver faces three charges

Floyd D. Wallace, 33, of 612 Alton Ave., Cloverleaf Addition, was charged with reckless driving, having an expired driver's license and contributing to the delinquency of a minor after his car struck a utility pole at Niedringhaus Avenue and Cleveland Boulevard Thursday.

Police alleged a 16-year-old boy in the car appeared to be intoxicated and was charged with a curfew violation.

Another passenger, David L. Smith, 26, of 161 Sunny Shores Mobile Home Park, was injured and was taken by a Granite City ambulance to St. Elizabeth Medical Center where he was treated for pain to his right leg. X-rays were taken and he was released.

INJURES NECK

John Novosel, 20, of 2566 Spalding Ave., suffered neck pain after an auto accident last week and he was X-rayed at St. Elizabeth Medical Center before being released.

Mr., Mrs. Ted Barr celebrate 30th year

Mr. and Mrs. Ted Barr, 18 Moorland Drive, celebrated their 30th wedding anniversary at a dinner held in their honor.

The couple was married June 25, 1949, in Madison. Barr has been employed by A.B.C. Electric for 25 years. Mrs. Barr has worked for Dr. Toussaint for 11 years.

Christening in Highland

Several local residents were among the guests at the christening of Kevin Martin Doyle, infant son of Mr. and Mrs. Patrick Doyle of Highland, formerly of Granite City.

Kevin was baptized this week at St. Paul Catholic Church in Highland by the Rev. Michael Inyard. A buffet dinner was served after the service to the infant's godparents, Mr. and Mrs. Gary McFalls Sr.; maternal grandparents, Mr. and Mrs. Joseph Dallas, and the paternal grandparents, Mr. and Mrs. James Doyle Sr., all of the Quad-Cities.

Also attending from here were Cindy and Gary McFalls, Mr. and Mrs. Joseph Groboski and daughters, Kathi, Jeanie and Joanna, Mrs. Norma Kacera and Mrs. Louise Begando.

Other guests were Mr. and Mrs. Paul Potthast and son, Michael, the Rev. Inyard and the infant's brother, Patrick, and sisters, Maureen and Colleen, all of Highland.

SILVER ANNIVERSARY. Mr. and Mrs. Gary D. Browning, 852 Thorngate Drive, Mitchell, who are observing their 25th wedding anniversary. She is the former Peggy L. Parker.

Brownings mark 25th wedding anniversary

Mr. and Mrs. Gary D. Browning, 852 Thorngate Drive, Mitchell, were honored on the occasion of their 25th wedding anniversary at a dinner party. The event was held at the home of their son-in-law and daughter, Mr. and Mrs. David (Rhonda) Garner, 632 Chouteau Ave., Mitchell.

The couple was married June 25, 1954, in Waterloo, Ill.

Mrs. Browning is the former Peggy L. Parker. Her husband has been employed for the past 20 years at the McDonnell-Douglas Corp. plant in St. Louis County.

In addition to Mrs. Garner, the Brownings have three other daughters, Mrs. John (Laura) Mouldon of Granite City, Miss Pam Browning, at home, and Mrs. Steve (Sheila) McMichael of Florissant, Mo.

They also have two grandchildren, Jason and Jennifer Garner of Mitchell.

Guests at the celebration included their son-in-law and daughters, grandchildren and Mr. and Mrs. Milt (Jerry) Townsend and family, Mr. and Mrs. Clark (Kathleen) Lincoln, Mr. and Mrs. Elvin (Margaret) Gibbs and Mr. and Mrs. Pete (Evelyn) Robinson, all of the Quad-City area; and Mr. and Mrs. Dan (Irene) Tucker of Evansville, Ind., and Mr. and Mrs. Gerald (Lavelle) Bailey and Roy Wodell, all of St. Louis.

AID TO VETERANS
Aid to veterans and their dependents filling out benefit claims will be offered at a new location, starting tomorrow, Freeman L. Clinard, veteran service officer for the Illinois Department of Veterans' Affairs, will be available each Tuesday from 9 a.m. to 4:30 p.m. at the Disabled American Veterans, 1417 Nineteenth St., or by calling 876-7816.

Miss Wilhelm betrothed

Mr. and Mrs. Marvin E. Wilhelm of Spanish Lake, Mo., have announced the engagement of their daughter, Christine Marie, to Thomas Eugene Hudson, a son of Mr. and Mrs. Eugene D. Hudson, 2832 Michigan Ave.

Miss Wilhelm is a 1976 graduate of Rosary High School. She is employed as a laboratory technician at Monsanto in Sauget, Ill.

Hudson, a graduate of Southern Illinois University at Edwardsville, is an environmental analyst at the Granite City Steel Division of National Steel Corporation. He is a 1972 graduate of Granite City High School. A late summer wedding is planned.

BUSINESS DEGREE TO RAY L. STACK

Ray L. Stack, a Madison resident, graduated this spring from Benedictine College, Atchison, Kan. He was awarded a bachelor degree in business administration.

Stack is the son of Ray Stack of Granite City. Benedictine is the largest independent residential college in Kansas.

SUMMER BRIDE-ELECT. Miss Christine Marie Wilhelm, a daughter of Mr. and Mrs. Marvin Wilhelm of Spanish Lake, Mo., and Thomas Eugene Hudson of Granite City are planning a late summer wedding.

MEAT, LINENS TAKEN

About \$130 worth of frozen meat and canned goods and some linens from the beds were stolen from the apartment of Brenda Latford, 1306 Kirkpatrick Homes, she discovered at 7:25 p.m. Thursday. All of the upstairs windows had been opened and a fan had been removed from an upstairs bedroom, taken downstairs and plugged in. There were no signs of forced entry.

Retired general to speak against ERA

The Plan to Put Women in Combat will be the topic of Brigadier General Andrew J. Gatsis, U.S. Army, Retired, who will speak at a dinner Thursday, starting at 7 p.m., in the Mayan Room at the Bel Air Hilton Hotel in downtown St. Louis.

The meeting is being sponsored by Missouri Stop ERA, Pro-Family Forum and Eagle Forum, which are among the foremost anti-ERA, pro-family organizations in Missouri and on the national scene. The dinner is open to the public by reservation only.

which may be sent to Mrs. E. Middelendorf, 3930 Eiler, St. Louis, Mo. 63116, or by calling 314-481-4009.

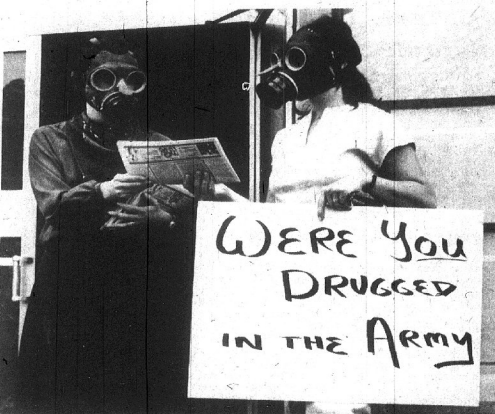

Tickets cost \$10.50 per person, or \$20 per couple.

Gen. Gatsis, a combat veteran of Korea and Vietnam, is one of the most decorated officers in the Armed Forces, holding 48 medals.

He is an outspoken opponent of draft-combat for women and has been lecturing extensively across the country regarding this viewpoint in the perspective of a combat infantryman.

The general officer was the principal witness against ratification of the Equal Rights Amendment at the North Carolina Senate and House Committee hearings in 1977.

The event will kick off a statewide petition drive against the drafting of women and sending them into combat, according to Ann McGraw, chairman of the Stop ERA Political Action Committee.

VICTIMS SOUGHT. Members of the American Citizens for Honesty in Government were in Granite City Thursday afternoon, wearing gas masks and handing out leaflets. They are shown at City Hall. Linda Peters, (left) and Rose Garvin, both of St. Louis, are part of the group trying to find Army personnel who might have been exposed to a drug called BZ between the 1960s and 1975 at Edgewood Arsenal in Maryland. The drug is said to have lasting side effects.

ARREST JUVENILES

Two boys, ages 14 and 15, were arrested outside a home at 2301 rear Winters Drive, at 10:25 p.m. Thursday. Police responded to a prowler report and alleged finding one boy on the roof and another behind the home. They were charged with prowling and were released to their parents on notices to appear before juvenile authorities.

Madison-St. Clair counties areas (he'd personally prefer the latter, he said, because his "young family" is settled there), but he ruled out Springfield.

"If the office were in Springfield, it would gradually come to be considered a nether bureaucratic agency. A university should have a certain mystique."

He said the chancellor should be on both campuses regularly and ought to communicate with the presidents "frequently and frankly."

Asked to sum up his administrative style in one word, Shaw said, "Consistency."

Dr. Shaw's visit to SIUC was the last in a series of "meet-the-candidate sessions" arranged by the trustees' Chancellor Search Assistance Council.

Other aspirants for the job are Durward Long, academic vice-president of the University of Hawaii system; Donald C. Swain, academic vice-president for the University of California system; and Clyde J. Wingfield, provost and academic vice-president of the University of Miami, Florida.

The SIUC board is expected to make a choice either Thursday or early next month.

Let contract for lighting system

A contract for installation of a lighting system at the soccer and baseball field at Granite City High School South was awarded by the Granite City Town Board last week to Dron Electric Co.

The board, which is made up of City Council members, accepted a low bid of \$80,544 for the installation work and authorized Township Supervisor Nelson Hagnauer to enter into an agreement with Granite City School District 9 to take over maintenance and operation of the system after it is installed.

The work is to be financed by a \$50,000 fund allotted to the project by the township, with the Granite City High School South Boosters organization paying the balance in excess of \$50,000. The Boosters Club also has provided the poles upon which the lights are to be installed.

The \$50,000 contributed to the project by Granite City Township will be paid out of federal revenue sharing funds.

Jansens announce fourth daughter

Mr. and Mrs. Alvin Jansen of Troy, formerly of Granite City, are announcing the birth of their fourth daughter, Megan Rebecca, born June 30 at Oliver Anderson Hospital.

The new arrival weighed 10 pounds, one half ounce at birth.

She has three sisters, Kimberly, 15, Jennifer, 14, Courtney, 12, and one brother, Bradley, 5.

Paternal grandfather is Louis Jansen of Leopold, Mo. Maternal grandparents are Mrs. C. Clifton Blankenship of Carrabelle, Fla., formerly of Granite City. Great-grandfather is John Conaway of Los Angeles, Calif.

Shaw stresses consistency and 'prodding' role

The president of Southern Illinois University at Edwardsville said last week that if he's picked as chancellor of the SIUC system, he will continue to push for "strong, free-standing campuses" balanced by a minimum of centralized control.

Kenneth A. Shaw, who has been SIUC president since 1977, has been outspoken in favor of campus autonomy and argued against an all-powerful chief executive system when the SIUC Board of Trustees began looking into a change in governance last fall.

At a meeting on the SIUC campus, Dr. Shaw said he believes the trustees' blueprint for the system operation will ensure that the two main campuses will be able to chart their own courses.

"I wouldn't be interested in the job if it meant a strong central administration like the University of Illinois," he said.

The 40-year-old Shaw, youngest of four final candidates, said the chancellor's role should be that of a "helper, prodder and conflict resolver" in terms of relationships with the campus presidents.

Individual campuses, he said, should be led by strong presidents and should retain near-total control over such operations as alumni activities, foundations, academic programming and internal budget planning.

And they should "establish their own turf" when it comes to regional and community service and "have a proprietary interest in the regions they've staked out," he said.

External relations with government, including legislators, should be coordinated by the chancellor, Dr. Shaw said, but the campuses should play a major part in these activities.

"It would be a mistake to say 'all government relations should be handled by this office and no one else talks,'" he said.

"The chancellor should be the conductor of an orchestra, not a dictator. We should use the right person from anywhere in the system, when the time comes for institutional persuasion on a bill in the legislature."

"We can't expect legislators to get a good 'gut' feeling for the campuses through a chancellor."

He said some public relations machinery ought to be set up under the chancellor to instill "a sense of the system and its importance" in people throughout the state.

The chancellor's office itself, Dr. Shaw said, should operate at its present staff level plus two or three additional people to work in government and public relations, planning and budgeting.

Shaw said the chancellor's office itself should be located in the Carbondale or

Don't let another winter catch you without enough INSULATION

Chances are that, if your home lacks adequate insulation, you were very much aware of the fact before last winter was over.

ILLUSTRATED BOOKLET ON DO-IT-YOURSELF INSULATION.

Gives detailed directions on insulating an attic in one weekend. Ask at our office for your copy. No charge.

So why not make sure right now that you'll have a snug, well-insulated home going into next winter.

Insulation is the most important single effort a homeowner can make to conserve energy. And adequate insulation is a permanent improvement that adds to the value of your home.

For information on types and amount of insulation you need, plus a list of dependable contractors, call the Energy Use Advisor at our office.

Tomato diseases

By CHRIS DOLI
Area Garden Adviser

The tomato, the universal garden crop in Southwestern Illinois, is subject to many diseases.

The most common problems in 1979 are Fusarium wilt, early blight, Septoria leaf spot, leaf roll, and blossom-end rot.

Septoria leaf spot, leaf roll, and blossom-end rot should come later.

Of these, Fusarium wilt is one of the most severe.

Fusarium causes wilting because the water-and-food conducting channels are brown and ineffective. The plants turn yellow, lower leaves wilt first, and then the entire plant.

This usually happens about fruit set time, but may occur anytime during the growing season. It should be prevented by the use of resistant varieties, but many gardeners plant "old favorites" that lack resistance.

Since Fusarium is caused by a soil fungus, there are no sprays or dusts for control. Gardeners with this problem should use resistant varieties next year.

Verticillium wilt in another soil-borne fungus that has similar symptoms to Fusarium wilt. Only laboratory tests can tell the difference in diseases. But as with Fusarium wilt, it shouldn't happen because there are resistant varieties available.

Diseases that can be controlled with pesticides are early and late blight, Septoria leaf spot, anthracnose, and several others. These are best controlled with regular applications of maneb, zineb, mancozeb, bravo or Dyrene. Do not spray maneb, zineb, or mancozeb within five days of harvest.

Leaf roll and blossom-end rot are usually physiological in nature and are related to culture and weather. Leaf roll frequently occurs on heavy-leaved varieties that are pruned.

If you have plants with physiological leaf roll, there is not much concern except that fruits may sunburn.

Blossom-end rot may be more severe in that a majority of early maturing fruits will be infected. By the time it's visible, it's too late to work on control methods.

The best control is preventive; this means providing adequate moisture, nutrients, mulching and avoiding severe pruning. Hot weather in July and August will allow the plants to grow out of it.

HURT IN CRASH
Kenneth Aurand, 21, Glen Carbon, suffered pain to his head and back after an auto accident near Kirkpatrick Homes last week and was treated, X-rayed and released from St. Elizabeth Medical Center.

Vacation here, Illinoisans say; fuel availability cited

Vacationing motorists are dialing a 24-hour toll free telephone number for current information on gasoline availability throughout Illinois, according to the Illinois Office of Tourism, Department of Business and Economic Development.

Called the "TravelLine," the two-minute recorded message offers Illinois and Midwest consumers an advisory on general fuel availability, timely prospects for upcoming travel events and weekend destinations, plus information on where to write for detailed vacation material.

Two telephone numbers provide the toll free service, seven days a week: 800-637-8560—For travelers placing calls from Minnesota, Iowa, Missouri, Tennessee, Wisconsin, Kentucky, Ohio, Indiana, and Michigan.

800-222-8937—For travelers dialing within Illinois.

"This offers a needed service for motorists who may be uncertain about their travel plans because of the much-publicized fuel situation," says Sandy Guehrer, managing director of the Illinois Office of Tourism.

"Though we certainly recognize the serious reality of a gasoline shortage, we also feel the TravelLine will be a valuable boost for vacation planning."

It will benefit the entire industry, from travel-related businesses which have prepared for the peak vacation season, to consumers who want to feel confident they can avoid difficulties in obtaining fuel.

"We urge everyone to observe the 55 mile-per-hour speed limit, and trips should be planned so all driving is done during daylight hours."

"If we continue to be responsible in the use of our fuel supplies, there should be no need to curtail plans for enjoying the hundreds of local Illinois travel destinations."

"Our current advertising program stresses Illinois' many close-by attractions."

"By studying what is available and applying our TravelLine information, there will be no reason to forfeit the quality of your leisure time."

Representatives of the \$4 billion Illinois travel industry have gathered in Springfield to review the impact of gasoline availability during the current peak vacation

season. During the meeting, it was unanimously recommended that the toll free 800-number be initiated.

The meeting was called by the Office of Tourism. Those attending included representatives from the Chicago and Illinois Restaurant Association, Illinois Recreational Vehicle Dealers Association, Association of Rural Recreation Enterprises, Chicago Convention and Tourism Bureau, Illinois Hotel-Motel Association, Springfield Convention and Visitors Bureau, Illinois State Fair Agency and Illinois Bell Telephone Co.

Also supporting the TravelLine are the Greater Chicago Hotel-Motel Association, the Governor's Advisory Committee on Tourism, the Economic Development Commission, and the Super Region Tourism Council.

Participants in the meeting were optimistic regarding the outlook for a strong 1979 travel season, but emphasized the need to keep the public well informed of fuel availability to avoid exaggeration of current shortages.

The state's travel industry also endorsed the Office of Tourism's concept of promoting trips "close to home," and urged continuation of travel promotion utilizing this theme.

Wall family has reunion

Descendants of the Wall family held a reunion at Deer Lodge in Doniphan, Mo.

Those from Granite City attending were: Pansy, Sandy, Randy and Paula LeMaster, Richard and Peggy Wall and daughters Tammy, Candy and Amy, Laura, Angela and Donald Lowe, Bob and Betty Jackson, Johnnie and Janet Jackson, John and Pat Lowe and children Tracey and Johnnie, plus Raymond, Mary Jo, Matt and Jolene Stratton.

Those attending from Madison included Virgil and Nick Wall, Vada and Donna Krajovich, and Sam Glass. Jamie Cowin of Venice attended.

Others attending were James and Emma Sykes of Huntsville, Ala., Jen and Vada Slogsdill of Couch, Mo., Glen and Virgie Lewis, Arvil and Verna Smith, Lee Stratton, Harry and Minnie Payne, Minnie Patterson, Billie, Paula, Caroline and Laura Thompson, Lee and Pearl Boyles and Newell Brooks, all of Doniphan.

Clarence and Alice Boyles of Shasta, Calif., Herbert and Shirley Wall of Norwalk, Calif., Gwendolyn Dill of Charleston, S.C., Peggy Wall Chalk, Christine and Gregg Chalk, all of Elmira, N.Y., Pat and Richie Hanshaw of Riverside, Calif., and Steve and Beverly Ard and children Tiffany and Christopher of Austell, Ga.

START NOW TO END YOUR WINDOW PROBLEMS

LET THERMAL-GARD REPLACE YOUR OLD WINDOWS

Thermal-Gard dual-paned insulated replacement windows never need painting. They're fully-clad in thick vinyl. This white-satin finish will not chip, peel, crack or blister. It stays vibrant season after season, weather-beating after weather-beating.

BOTH SASH TILT-IN FOR EASY CLEANING

Cleaning's a breeze. Both sash tilt-in for safe and simple washing. No more dangling from ladders or clinging to sills!

MONEY-SAVING 1-INCH THERMAL BARRIER

Thermal-Gard's construction traps the air between the panes, forming an effective thermal barrier. In winter, the cold is locked out. In summer, Thermal-Gard blocks out heat. And all year-round you save substantially on energy bills.

An interlocking sash, a complete system of heavy-duty weather stripping and a thermal break in the frame all combine to complete the insulating system.

Youth Conservation Corps...

MANAGEMENT WORKS TOO, as shown above. Robert McCoid (right) and Karen Muir, crew leaders, lift a heavy rock onto the causeway near the Route 111 entrance to Horseshoe Lake State Park. Pitching smaller rocks (top left) are Eric Sanders and Melanie Marshbanks. At right, Carmen Smith takes a little extra break.

**Photos and text
by Cathey Jamison**

Learning by doing

They were hot and tired, even though they had just taken a ten minute break. The rocks, some of which weighed 60 to 80 pounds, would rebuild the causeway. The winter's damage had to be repaired.

Re-enforcing the causeway is just one of the work projects being done this summer at Horseshoe Lake State Park. The work is being done by 15-18 year olds under the direction of crew leaders Robert McCoid and Karen Muir.

They are the Youth Conservation Corps, affiliated with the Illinois Department of Conservation. The work benefits both the kids and the environment.

The teenagers are paid for their work. conservation projects get done on public lands, and the young people develop an understanding and appreciation of the environment.

Most of the young people in the program have very little knowledge of nature's wonders. Many have never had any training regarding the environment.

They learn, through work projects, field trips and group discussions. They

learn about nature and how to protect the environment.

As part of the program they must receive 10 hours of training per week in environmental awareness. This is taught in many ways. The field trips help to point out problems in the environment. Guest speakers make the young people aware of specific problems, such as water and air pollution.

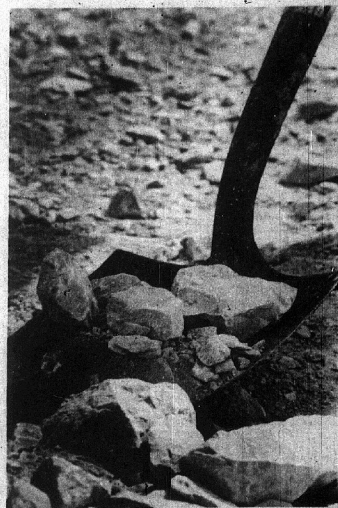

The work projects give the young people a little hands-on experience in protecting the environment.

They have just completed the setting up of 30 wildlife feeders. They have planted 200 trees near the park's main entrance at Route 111. The trees will serve as a sight and sound barrier for the park from the traffic on the highway.

The Corps is in session from the middle of June through mid-August. There are two four-week sessions.

By the end of the summer, the park will have been improved and the kids will have a better understanding of their surroundings. The work is hard, but it is a learning experience for all.

PEOPLE

THE HUMAN HAND is the most common tool used to re-enforce the causeway, but the shovel also had its place on the job, with a little help from human hands, of course.

Steelmakers urge trade bill passage

The American Iron and Steel Institute has endorsed the trade legislation transmitted to Congress in late June by President Carter, and has urged prompt approval.

AISI Chairman Lewis W. Foy said that the legislation, which will implement international trade agreements negotiated in Geneva, "could result in more fairness and equity in international trade."

He complimented Congress for its role in developing the trade bill. "Members and staff of the

House Ways and Means and Senate Finance committees worked long and hard on formulating constructive recommendations to the Administration," he said.

"Members of the House and Senate steel caucuses labored for almost two years to bring to the attention of their colleagues and the Administration the trade problems faced by the domestic steel industry and its workers. These efforts have been helpful," he said, "and we deeply appreciate the support of the caucuses."

Foy also complimented the U.S. special representative for trade negotiations,

Ambassador Robert S. Strauss, and his staff "for dedicated efforts in working to develop domestic implementing legislation capable of benefiting the national interest."

Foy said the domestic steel industry and its workers are victims of unfair trade practices that range from dumping and foreign government subsidization to discriminatory steel trade agreements among foreign nations.

"The new trade bill will provide clearer standards against which unfair international trade practices

can be judged," he said.

"All sectors of our economy will be helped, since the removal of unfair trading practices is beneficial to consumers, workers and industry generally."

"Enactment of the trade bill by Congress will provide tools for more effective action against unfair trade practices, but those tools will only be as good as the will of our trade officials to utilize them."

"The true benefit of the trade bill provisions, therefore, will depend on the enforcement of them by the government."

"It is our hope," Foy said, that foreign steel producers will change their trading practices affecting the U.S. market to conform to both the letter and the spirit of the new U.S. trade legislation."

The domestic members of the American Iron and Steel Institute account for 93 percent of total U.S. raw steel production.

Hearing on K of C rezoning request

A request by the Knights of Columbus for rezoning R-2 single-family residential property to R-3, to construct a building on a 20-acre tract on the south end of Colonial Drive off West Pontoon Road, is to be considered by the Granite City Plan Commission at 1:15 p.m. Thursday.

The meeting, which is open to the public for comment, will be held in the city council chambers on the second floor of the Granite City Hall.

The Granite City Board of Appeals also will meet this week to consider five requests for variances from side property line set-back requirements for the construction of garages and a carport.

The Board of Appeals will meet at 1:15 p.m. Wed-

nesday in the city offices at 2301 Adams St. to consider the following requests.

Michael Margrabe, 1928 Joy Ave., is requesting permission to construct an unattached garage one foot from the side property line.

Henry Byrd, 5 Briarcliff Drive, wishes to construct a carport one foot from the side line.

Floyd E. Watson, 2424 Kilarney Drive, plans to construct an unattached garage three feet from the property line.

Howard Harris Jr., 2932 Washington Ave., is seeking permission to construct an unattached garage one foot from the side line.

Stanley Hoffman Jr., 2029 Clark Ave., wishes to build a garage three feet from the side property line.

RE/MAX IS LOOKING FOR A FEW GOOD MEN ... AND WOMEN!

Now that our doors are open for business, RE/MAX is looking for very special professional sales agents to join our team. We're not just another real estate company. We're the largest 100% commission company in North America. In fact, RE/MAX is larger than all other 100% commission companies combined. Our growth is the result of our acceptance by the real estate industry because we offer some very unique and unusual benefits to our agents such as the opportunity to substantially increase income through our 100% commission concept program.

RE/MAX agents retain 100% of their sales commission and in return, they pay monthly expenses of operating their office. Across the country, statistics show that RE/MAX agents retain 80-92% of the total commissions after expenses. There are many other benefits such as the freedom to develop your investment portfolio with no commission to the company — and our agents have a voice in the management of their office. There's a whole lot more in store for a RE/MAX agent, and if any of this sounds appealing to you — stop by and hear the whole story. If you can't drop by, give us a call.

All inquiries will be handled confidentially

Full—as in gas tank—the most beautiful 4-letter word

By ROBERT ESTILL
Press-Record
Washington Bureau

Those who have not shared with their coastal and midwestern cousins the lifestyle-altering experience of a gasoline shortage do not know what they are missing.

In typical fashion, the news media focus on the negative—little things like long lines, short tempers, profiteering by the greedy, and unemployment for those whose livelihoods depend upon fuel or assembling the gas-guzzlers.

But there are silver linings, in addition to the silver linings in the pants of oil company executives.

Living in an area where gasoline stations now are open for short or random hours, if at all, provides the opportunity for new and exciting personal experiences.

Instead of wasting hours in nothing more productive than sleep, one can now savor the glory of a sunrise while hastening to be in line when some generous petrol dispenser deigns to sell his product.

If one listens attentively, the morning chirp of the

songbirds can be heard between the beating of auto horns, the cacophonous signal that a new day has begun in the gas lines.

For the gambler, there is a new game—service station roulette.

His first wager is whether to head for the first open station, regardless of the plunger recklessly in search of a station with a shorter line, hoping his tank does not go empty first.

Once in line, the big gamble begins. Will he "make his pass" and get his gas? Or will he "crap out," (in dice game parlance) as the pumps tap out a car length in front of him?

Making that pass with the dice will give a renewed sense of power and confidence as the gas gauge needle rises slightly less toward "full," one of the most beautiful four-letter words in the English language.

The fortunate motorist able to feed his demanding four-wheeled lover will find the freeway slightly less crowded than in those bygone days of abundant oil.

But there are benefits, too.

For the driver forced to take public transit. Boarding the crowded buses and subways, he will feel a new closeness with his fellow man.

There is almost no end to the fringe benefits of gas.

The two-car family can retire the trusted family friend with the bigger appetite, the rusting hulk will make a dandy yard ornament or oversized planter.

One need not fear being sunburned at the beach or mosquito bitten in the mountains if he does not have the gasoline to get there.

Visits to in-laws can be postponed indefinitely: "Gee, Aunt Maude, we would like to visit you and Uncle Ferd, but we cannot get the gas."

It is typical of the effete Easterners, the fastidious Midwesterners and the crazy Californians that they have been hogging the shortage to themselves.

It is trendy to be first with everything.

But have faith in Congress and the president. If past performance is a guide, their leadership eventually will make it possible for everyone to share the experience.

NEW STAR. Richard D. Kenyon, right, receives his own personal flag upon promotion to brigadier general. Making the presentation is Lieutenant General Robert J. Baer.

General rank for Kenyon String concert

Project Manager for the UH-60A BLACK HAWK helicopter, Richard D. Kenyon has been promoted to the rank of brigadier general. Officiating at the promotion ceremony was Lieutenant General Robert J. Baer, Kenyon's wife, Virginia.

Gen. Baer, deputy commanding general for Army Materiel development and Readiness Command, served several tours of duty with him.

Gen. Kenyon is a native of Buffalo, N.Y., and attended Lombard Central School, Lombard, N.Y. He is a graduate of the June 1957 class of the U.S. Military Academy.

Recently he received the Secretary of the Army Award for Project Management, for his performance as project manager of the helicopter during a critical development period. The presentation of this award was made by Assistant Secretary of the Army Percy A. Pierce.

The 43-year-old Kenyon's overseas duty included two tours in Vietnam. He also completed tours of duty in Germany prior to his Vietnam service.

In addition to his master's degree in aeronautical engineering from Princeton University, he also served as an instructor and assistant professor at the USMA.

Gen. Kenyon will report to Washington, D.C. later this month to assume duties as deputy director of requirements and as Army aviation officer, Department of the Army.

Selections of chamber music by German composer Robert Schumann and Austrian composer Wolfgang Amedeo Mozart will be performed at the fourth concert of the Summer Chamber Music Series on Monday, July 16, at 8:15 p.m., in Lovejoy Library auditorium on the SIUE campus.

St. Louis Symphony Orchestra members John Korman (violin), Joan Korman (viola) and William Martin (viola) will join SIUE music department faculty members Kent Perry (violin), Joseph Pival (cello) and Marion Lampe (piano) in performances of Mozart's "Quintet in C Major" and Schumann's "Carnaval."

The Kormans will be featured in a performance of Franz Anton Hoffmeister's "Duo for Violin and Viola."

The series is sponsored by the Office of Cultural Arts and University Museums (692-2996) at SIUE.

Admission to each concert performance is \$3.

GC college class schedule is mailed

A schedule of classes for Belleville Area College's Granite City daytime program has been mailed to all area homes. The 34 classes will be taught between 9 a.m. and 4:15 p.m. beginning Aug. 20 at Washington School, 2020 20th Street and Nevada Avenue.

Personnel are presently

being employed to staff the office at the school, and in-person registration will start there on July 30.

Anyone who wants to register earlier may visit the main Belleville Area College campus at the intersection of Illinois 161 and Green Mount Road east of Belleville Monday through Thursday from 9 a.m. to 8 p.m.

Registration in Granite City will be July 30 through Aug. 14 from 9 a.m. to 3 p.m.

Larry Schmalenberger, director of the Granite City daytime operation, also has announced that textbooks will be sold at Washington School Aug. 20-23 from 10:30 a.m. to 3 p.m.

He will announce hours when students can meet with counselors in Granite City.

Schmalenberger noted that the Granite City daytime college is "a cooperative effort between residents of the city, school district and BAC to provide college courses at a cost residents can afford, without 'the prohibitive expense of driving' since gasoline has become so expensive."

Before the establishment of the daytime center, the BAC Granite City extension classes offered at Granite City High School South during evening hours.

Frank Kraus continues to act as coordinator for the evening program.

'Bus Stop' on July 18-21

William Inge's "Bus Stop," the first student theater production in the Summer '79 series at Southern Illinois University at Edwardsville, will be presented July 18-21 by the department of theater and dance.

Performances will begin at 8:15 p.m. in the Communications Building theater.

"Bus Stop" centers around a group of weary travelers stranded in a roadside diner

during a snowstorm. They develop a variety of relationships which eventually break down and rebuild themselves.

Among the travelers is a cowboy, Bo Decker, played by Dan Decker, who is trying to lure the chanteuse, Cherie, into matrimony. The role of Cherie is portrayed by Beverly Wilson on July 18 and 20, and by Sharon E. Spence on July 19 and 21. Both actresses are from

Alton.

The play is being directed by William Inge, an acting coach at the university.

"Ticket information, reservations and Summer '79 subscription discounts are being handled by telephone at 692-2320."

Ticket prices are: \$3 for adults, \$2 for high school students, \$2.50 for senior citizens, and \$1 for SIUE students and children under 12 years of age.

Party honors parents, daughter

A Fourth of July barbecue at the home of Mr. and Mrs. William Black Jr., 709C Meadowlark Drive, honored the couple on their 25th wedding anniversary and also served to mark the eighth birthday of their daughter, Misty Roxane.

A picnic dinner and swimming were enjoyed by the guests.

In keeping with the birthday theme, a Raggedy Ann doll cake was made and served by Mrs. Black.

Misty Roxane, whose actual birth date is July 8,

received many gifts at the barbecue.

She also was honored at a second party Sunday, when her parents entertained Mr. and Mrs. Howard Black and sons, Jason and Timmy, Mr. and Mrs. Larry Koerber and daughters, Donna Diana and Denise, Freeburg, Ill., Mr. and Mrs. Bob Davinroy and daughter, Rhinanna, Florissant, Mo., Mr. and Mrs. Ed Moore and the honoree's brother, William.

Guests at the anniversary picnic included Mr. and Mrs. Gene Ross, the small honoree's maternal grand-

mother and her great-grandmother, Mrs. Margaret Barr; Mr. and Mrs. Roy Hunter and son, Chris; Butch Stefanoff, Jeannine Stefanoff, Jo Ellen Jackson, Mr. and Mrs. Joe Stefanoff, Mr. and Mrs. Ed Stefanoff and daughters, Heather and Melanie, Mr. and Mrs. Larry Ross and children, Rebecca, Katina and Jamie, Mr. and Mrs. Earl Ingram, Mr. and Mrs. Tom Morris and granddaughter, Kimberly, who is visiting here from Midway City, Calif., and the hosts' son, William Black.

Variety of evening college classes at the Madison high school

BAC Madison coordinator Charles Steptoe has announced the schedule of classes to be taught by Belleville Area College at Madison High School this fall.

It includes eleven college credit classes and two dozen non-transferable general studies courses.

College credit classes to be taught in Madison are: Applied Psychology and Intro to Sociology on Tuesdays; Shortland I, Rhetoric and Composition II, and The Family (Sociology 255) on Wednesdays; and Health and General Psychology on Thursdays.

Steptoe encourages students to enroll for at least six semester hours of college credit (two courses) and thus become eligible to apply for financial aid.

New federal legislation, aimed at helping middle-income families, makes three-fourth of all American college students enrolled at least half time eligible for some assistance, he said.

Steptoe also reminded employed students to check their company's tuition reimbursement policies and veterans to investigate their benefits.

Illinois veterans, he said, are usually eligible for tuition and fees even if their G. I. Bill benefits have expired.

"It is possible," Steptoe said, "for a student to take six credits to go to school for less money than if he or she were taking only three credits."

General Studies (non-transferable) courses to be

taught in Madison include Introduction to Bartending, Beginning Midlevel Gardening, Beginning Sewing, Upholstering, Physical Fitness, Auto Body Repair, and Welding on Mondays.

Tuesday classes in Madison are Home Air Conditioning and Refrigeration, Intermediate Sewing, Upholstering, Auto Mechanics.

Wednesday classes scheduled are Know Your Car, Physical Fitness, and Small Gas Engines.

Thursday classes at MHS are Disco Dance, Photography I and II, Home Air Conditioning and Refrigeration, Woodworking and Furniture Refinishing, Cake and Food Decoration I, Physical Fitness, and Advancing Heating and Air Conditioning.

Belleville Area College students may choose any extension center for their enrollment, and they may combine classes at the main campus, at the Granite City extension center, or at a Washington School and at any evening extension center.

Students are being encouraged to examine the total schedule of classes. It will be delivered to all homes in the district in the last week in July. By doing so, they can work out the most gasoline-saving schedule possible, he added.

Further information concerning any Madison courses may be obtained from Steptoe at 676-7135.

Burglary at Ranft home

A large amount of silverware and china are being missing after a burglary at the home of Carl Ranft, 2650 Delmar Ave., last week.

The 43-year-old Ranft went to the fireworks display at Wilson Park and returned home to discover two locked storm doors had been pulled open and glass in a door had been broken. The door had then been kicked open.

The master bedroom had been ransacked. The occupants are preparing a list of other items found to be missing.

GRADUATES FROM NURSING SCHOOL

Barbara JoAnne Weldon, Barbara Betty R. Weldon of Granite City, graduated from the School of Nursing of St. Luke's Hospital, St. Louis, in ceremonies held at the Kirkwood Presbyterian Church.

She was one of 55 members of the class of 1979.

St. Luke's School of Nursing, founded in 1882, is the oldest diploma school of nursing in continuous operation in Missouri and one of the oldest in the nation. It offers a state and nationally accredited diploma program in professional nursing to qualified men and women.

Since the first class of nine graduates in 1892, more than 2,500 graduates have completed the course of studies. St. Luke's Hospital and the School of Nursing are sponsored by the Episcopal and Presbyterian churches of the metropolitan area.

REINHARDT-Realtor Sells-BETTER LIVING

UNDERCOATING—RALPH'S TEXACO 22nd & MADISON AVE.

Collide on Center St.

Two persons were injured when the auto of William Herman, 58 of 2716 Center St., and the station wagon of Michael Elliff, 1700 Sycamore Ave., collided in front of 2702 Center St., at 3:10 p.m. Thursday.

Police noted that the intersection does not have yield or stop signs and shrubbery hides the vision of oncoming cars.

Herman went to St. Elizabeth Medical Center where he was treated for bruises to both knees and he was released.

His wife, Wanda Harman, 52, suffered minor injuries, but did not require hospital treatment.

Births decline, deaths rise

The number of births decreased in the Quad-City area during the first six months of this year, while the number of deaths increased over the same period.

According to a vital statistics report released by City Clerk Robert Stevens.

The number of fetals also declined substantially during the first six months of this year. One fetal during June brought the total to two so far this year. During the first six months a year ago, there were six fetal deaths.

While the statistics primarily include those of this area, the total figures also may include some cases outside the area.

Vital statistics during June included 61 births, 53 deaths and one fetal. These compare with 60 births, 59 deaths and three fetals during the same month in 1978.

The June statistics brought to 357 births the total for the first six months of the year, with 271 deaths and two fetals for the same period.

During the first six months of 1978 there were 360 births, 235 deaths and six fetals.

Births, fetals and deaths during the first six months of this year, in that order, included:

January 30-0-45; February 28-37; March 37-0-24; April 39-4-48; May 64-0-54; June 61-1-53.

Arsonists destroy car

Three young men threw flammable liquid or a Molotov cocktail into the auto of Irma Gray, 3069 Wayne, parked in front of her home at 11:40 p.m. Thursday and set the car on fire, a witness told authorities at the first fire pickup.

The auto, a 1977 Ford Pinto, was destroyed. It was valued at \$3,900.

Mr. Gray told police she had received a threatening phone call earlier that night from a man. A witness said a blue or gray pickup truck with Missouri license plates

parked on Joy Avenue near Wayne Avenue and three men got out carrying a bottle.

They approached Mrs. Gray's car and then ran back to the truck, leaving hurriedly. The car immediately burst into flames, according to the witness.

A broken soft drink bottle was found near the car. Firemen said the auto was totally involved in flames when they arrived and could not be saved.

Pro athletes enter benefit golf tourney

The following celebrities have sent in reservations to play in the third annual Cystic Fibrosis Golf Tournament at Sunset Hills Country Club, Edwardsville, on July 16.

FOOTBALL CARDINALS: Dan Dierdorf, Roger Weighli, Jim Hart, Jim Bakken, Pat Tilley, Steve Jones and Bob Rowe.

BASEBALL NOTABLES: Ken Boyer, Stan Musial, Joe Hoerner, Lee Thomas, "Red" Schoendienst, Champ Summers, Phil Gagliano and Ken Oberkell.

SPORTSCASTERS: Jay Randolph, Ron Jacober, Bob Starr, Tim VanGilder, Steve Bassett, Bill Davis, Jim Bölen, Kathy McDonald, Jack Buck, Bill Wilkerson, Bob Hardy and Davie Lee.

Others who have indicated that they will play are Barclay Plager, coach, St. Louis Blues, and Norm Stewart basketball coach from Maine. Lt. Governor Dave O'Neal also is going to play.

There are still quite a few

vacancies and we would like to have a successful tournament," Co-Chairman Willard V. Portell said. "The Cystic Fibrosis Foundation is a very worthy cause."

"Applications can be secured from the Bank of Edwardsville, Sunset Hills Country Club and the Circuit Clerk's Office in the Madison County Courthouse in Edwardsville. If anyone will just make a phone call, we will send the application to them immediately."

Other co-chairmen are Jack Buck and Ed Anderson. It will be the third annual Bob Goolby celebrity invitational golf tournament. Buck will be toastmaster of the award banquet, and he and Goolby will present the awards.

Players are limited to 108 and will pay \$150 apiece.

Activities in the 18-hole tournament will begin at 11 a.m. with a golf clinic conducted by pro Bob Goolby, and the starting time of the shotgun-start, scramble tourney will be 12 noon.

Floyd Martin, 72, dies

Floyd E. Martin, 72, of 2538 Lincoln Ave., died at 3:45 p.m. Thursday at Memorial Hospital in Belleville. He had been in ill health for the last nine months and was hospitalized for three weeks.

Mr. Martin was born in Champaign, Ill., and had resided in Granite City for 10 years.

He retired in 1969 at Chase Moving and Storage Co., St. Louis, where he was employed as a helper.

Surviving are his wife, Mrs. Kathryn Martin; one son, Clifford Fleming of Millstadt; two brothers, Claude Martin of Belleville and Allen Martin of St. Louis; a sister, Mrs. Joe (Olive) Knize of St. Louis; one grandchild and one great-grandchild.

Funeral services are being held at 2 p.m. today. Details are given in the obituary column.

ARREST YOUNG MAN
Russell J. Pearman, 17, of 1637 Delmar Ave., was arrested Thursday and was charged with two counts of disorderly conduct for allegedly yelling lewd names from a car at two 13-year-old girls at Niedringhaus Avenue and Maple Street last week. He also allegedly asked the girls to get in the car with him and they refused.

GE Executive Central Air Conditioner.
Models TR654A through TR650A
22,000 through 58,000 BTU's
Capacity Energy Efficiency Ratio from 8.0-9.7

The GE Executive. Energy-efficient way to cool.

The GE Executive Central Air Conditioner is one of the most energy efficient air units available today. And that's important as energy costs continue to rise.

Plus, you get the comfort you want—right at your fingertips. You easily control the degree of coolness just by setting the desired temperature. The Executive does the rest.

And because the GE Executive is available in several capacities you get the flexibility to meet your home's cooling needs.

FREE Home Survey and Estimate.
Call us today and set up an appointment.

COOL VALUE DAYS

Low cost hot water.
While you get cool.

Add a General Electric Hot Water Bank heat recovery unit to your central air conditioner.

Pay for energy once—use it twice! The Hot Water Bank heat recovery unit uses the heat your air conditioner draws from your house to make hot water. Because the Hot Water Bank works from the air conditioner, you get double duty.

The GE Hot Water Bank heat recovery unit works with any hot water heater. It's compact—no larger than a briefcase—and it's UL listed.

At the standard rate capacity of your air conditioner, a nominal three-ton cooling system with compressor running, will produce 12 gallons per hour of 140°F hot water (70°F water input).

Call us today for full details.

KROGER GLABLY
WELCOMES FEDERAL
FOOD STAMP
CERTIFICATES
Kroger is happy to redeem your
Federal Food Stamps in cities and
counties authorized by the U.S.
Dept. of Agriculture. If you need
assistance to use your stamps,
please see your Kroger Store
Manager. He will be happy to help
you.

Come look over what's better at Kroger..

COST CUTTER LOW PRICES ON FRESH FRUIT

Kroger takes a special pride in every item we sell. We'll be happy to help you with your selection, and when you've made your choice, we'll weigh them for you with a smile.

SERVING YOU COMES FIRST IN THE KROGER GARDEN
